

SPLOST 2020 Advisory Committee

Citizen/Organization Project Application Form

INSTRUCTIONS:

Deadline to submit applications will be on September 30, 2019 at 5 pm.

Please feel free to use more space than what is provided after each question or attach additional sheets if necessary.

Completed forms may be delivered or mailed to;

SPLOST 2020 Advisory Committee
c/o Mark Gibson, County Administrator
P.O. Box 248
Dalton, GA 30722

Or sent by e-mail to mgibson@whitfieldcountyga.com

Once an application is submitted, the Advisory Committee will schedule a meeting date for you so that you may present your project(s) to the committee and be available to answer any questions they may have regarding your proposed project.

Questions concerning completion of the application can be directed to Mark Gibson, County Administrator, at 706-275-7500 or e-mailed to mgibson@whitfieldcountyga.com.

Signature of Proposer: _____ Date _____

Proposal for SPLOST Funding
Description of Project

Project: _____

1. How does this project relate to existing facilities (replace, complement, compete)?

2. Where is the specific location for the **project**? Can the need be met in an alternative location in the county?

3. Are partnerships (between governments or public-private) required, feasible, or proposed for this project?

4. **Are there other descriptive details you can share?**

5. How will your proposed project benefit the citizens of our community?

Proposal for SPLOST Funding
Project Cost Estimate

Project: _____

Project: _____

1. What are the estimated initial capital costs for this project? Be sure to consider the following areas as potentially relevant costs - property acquisition, infrastructure needs (sewage, roads, grading), construction costs, professional services (architects, engineers, project managers).

2. What are the anticipated/estimated operating and maintenance costs for this project?

3. Will the capital costs for this project be fully met by SPLOST funding alone, or are there partners (local, state, federal, private) in funding?

4. What entity will be responsible for the ongoing operating and maintenance costs?
