**PROJECT DESCRIPTION**

Begin Walnut Ave @ int w/Riverbend Rd - follow along 5th Ave to E Murray Ave take new alignment from East Murray Ave to Nelson St (just E of Tarver St) then follow along Fields Ave to intersection of Veterans Dr/Underwood St. (INCLUDES PROJECT 1.10, INT OF MLK)

**COMMENTS**

This route is currently being used as an alternate north-south connector even though it presents many turns and goes through a residential neighborhood. The upgrade would provide a safer route and would relieve some of the congestion on Glenwood Ave. The upgrade would have an impact on the existing neighborhood with multiple displacements.

New Alignment  
E Morris to  
Nelson St
