Vaughn noted that there is a \$2.2 million deficit in the 2016 budget that would be paid for out of the general fund balance. Vaugh went over some of the 2016 vs. 2017 changes in expenditures to include; DA-new grant funded positions plus benefits, Tax Assessor-personal property audit, MPO-consulting, Public Works-2017 LMIG increase plus match. Vaughn also went over some changes in the 2016 vs. 2017 change in revenues to include; millage rate increase, LMIG-increase in funding, VOCA/VAWA grants-increase in funding. Vaughn noted the Board funded pension in the 2015 budget but not for 2016's budget. Vaughn stated that the 2017 proposed budget includes a 100% pension contribution. Vaughn further noted that the \$608,000 from the general fund will be used to cover the 2017 budget deficit to the 911 fund balance.

**MEETING MINUTES FOR THE BUDGET PUBLIC HEARING OF THE WHITFIELD COUNTY BOARD OF COMMISSIONERS HELD MONDAY, DECEMBER 5, 2016 AT 12:00 NOON IN THE ADMINISTRATIVE BUILDING #2, 214 W. KING STREET**

Mr. Phillip Neff came before the Board to speak. Mr. Neff noted that the County is increasing the taxes but there has been no growth, and that taxes in the County have gone up compared to the City of Dalton.

Mr. Marshall Mauldin asked the Board who would be receiving pay adjustments. The Board noted that the proposed 2017 budget shows pay adjustments to keep Whitfield County competitive in retaining certified trained and skilled County employees.

Mrs. Kathy Holmes came before the Board to speak. Mrs. Holmes noted that she doesn't have an answer that would help the County's financial situation. Mrs. Holmes further noted that she understands that the tax digest is down, sales tax revenues are down, the 2.5 mill increase and no growth in the County. Mrs. Holmes would like for the County not to spend the reverses and to use it towards the County's fund balance.

Mr. Nelson Conger came before the Board to speak. Mr. Conger asked the Board to look into consolidating with the smaller cities.

Mr. David Pennington came before the Board to speak. Mr. Pennington noted that the proposed 2017 budget shows the County is spending all of the \$6.2 million surplus. Mr. Pennington further noted that the Board needs to have more of a say in the budgets of the Constitutional Officers and Courts. Mr. Pennington states that if there should be a collapse in the economy there will be no milling or paying so there is no point in purchasing a milling machine for the Public Works department.

Mr. John Didier came before the Board to speak. Mr. Didier asked the Board to reconsider the purchase of a milling machine for the Public Works department.

Mr. Van Roberts suggested that the Board of Commissioners attend a Dalton City Council meeting.

Mr. Frank Barnes asked the Board if the County is receiving all of the revenues from the 911 phone fees. The Board let Mr. Barnes know that there is legislation that is being worked on to help all of Georgia's County's recover 911 fees.

There being no other comments or questions, Chairman Babb declared the public hearing closed.
