Fire Chief Edward O'Brien informed the Board of their annual personal protective uniform bid. O'Brien will bring this bid before the Board at the July meeting.

Buildings and Grounds Director Gary Brown informed the Board about his meeting with the Dalton Fire Marshall regarding the Admin #2 building. Brown noted that the Fire Marshall needs a time-line on what the County decides to do with the building.

Captain Clay Pangle from the Sheriff's Office presented the Board with a quote from AXON Enterprises Inc., for patrol in-car video cameras. Capt. Pangle explained that the Sheriff's Office had previously entered into an agreement with WatchGuard, Inc. for the same service, however WatchGuard, Inc. could not fulfill their obligations to the Sheriff's Office as promised. The Board advised Capt. Pangle that a new (RFP) Request for Proposal will be needed for this service.

Mike Turner for the Public Works Department informed the Board about pipe replacements at West Broadacre Road and Tanglewood Drive. Turner also informed the Board about bidding out a paint striping machine.

District Attorney Bert Poston updated the Board on their sentencing and jail population reduction efforts. Poston noted that during the 2018 budget process the Board agreed to upgrade a part-time position to a full-time position and fund an ankle monitoring program to reduce jail population and expenses. Poston noted that as of this meeting date the jail population is 477, but without these programs in effect it would be closer to 500. Poston further noted that both programs should see a positive impact on jail population in the coming months.
