Amendment I

The FY 2015 – FY 2018 Transportation Improvement Program has been amended to include a proposed bridge project. The location of the project is the intersection of State Route 201 and Tanyard Creek, in northeast Tunnel Hill, Georgia. The project information and approximate location is included. Furthermore, Project Number 0009891, State Route 52/County Road 848 from I-75 south bound ramp to West Bridge Road roundabout has been removed from the Lump Sum Projects List. The new Lump Sum Projects List is included below.
