Whitfield County, Georgia

Finance Director's Office

The Honorable W. Michael Babb, Chairman,

Honorable Commissioners Barry Robbins, Harold Brooker, Roger Crossen, and Lynn Laughter, and Citizens of Whitfield County, Georgia:

In accordance with state and local ordinances, we are pleased to present the FY 2015 Approved Annual Budget. The General Fund budget totals \$40,422,979, a decrease of .6% compared to the FY 2014 adopted General Fund budget of \$40,666,565. The FY 2015 budget addresses as many of the long-term goals of the County as possible while recognizing the immediate demands on County services under the continuing economic downturn's revenue projections.

FY 2015 Budget - Overview

As mandated by State Law, the FY 2015 Approved Annual Budget represents a balanced budget for the general fund, special revenue funds, capital projects funds, enterprise funds, and the debt service fund. Total appropriations from each fund do not exceed estimated fund balances, reserves, and revenues for each of the County's respective funds.

FY 2015 Budget - Planning Processes

The County collects data and updates planning studies on an ongoing basis in order to develop and address short and long term goals. This information has been considered when adopting the FY15 budget. Many of the projects in these studies have had to be delayed or eliminated in the current economic situation.

The County utilized the following planning studies when preparing the FY15 Budget:

- General Government studies:
- Comprehensive Plan Update 2008-2018
- Short Term Work Program (STWP) 2013-2017

- Parks and Recreation Master Plan 2008-2018
- The Whitfield County Administrative Buildings Feasibility Study 2008 (On Hold – critical repairs on current Administrative Buildings only for FY15)
- Whitfield County Rural Public Transit Plan 2009

Metropolitan Planning Organization studies:

- 2040 Long Range Transportation Plan (LRTP)
- FY 2015-FY 2018 Transportation Improvement Program (TIP)
- FY 2015 Unified Planning Work Program (UPWP)

FY 2015 Budget - Highlights

Economic Development/Debt Service:

The Dalton/Whitfield community continues to be affected by the recent recession with unemployment rates as high as 8.1% at the end of 2014. The Board of Commissioners, along with the Joint Development Authority and municipalities, recognizes the need for a more diversified local economy and the need to recruit new businesses to the area. The Dalton/Whitfield County Joint Development Authority focuses on economic growth of the community by attracting and retaining jobs, diverse investments, and growing the tax base.

The 2014 primary goal was to identify and recruit "targeted" industries (plastics/chemical, datacenters, auto suppliers, high-end retail, distribution, and food processing); employ accelerated marketing techniques; collaborate with existing business and industry and ensure long-term competitiveness to attract new companies and grow existing companies by actively promoting the identification and studying the feasibility of all available properties for business and industrial development.

The actual outcomes for 2014 were as follows: 13 new projects creating an estimated 760 new jobs (507 primary jobs and 253 secondary). These economic development efforts generated \$167,000,000 in new investment. A return on investment (ROI) report indicated the development in 2014 also created \$34,000,000 in new earnings, \$27,600,000 in new consumer spending and \$900,000 in new state and local sales tax.

The accelerated marketing techniques created an impressive project pipeline representing 5,196 direct jobs, an estimated 2,598 indirect jobs, 60 projects and a capital investment of nearly 2 billion dollars. Of the 60 projects, 23% represented floor covering, 12% automotive, 18% retail and the remaining 47% were various other types of industry.

To aid in economic development the County has purchased land and started construction on two industrial parks. The first, built in 2009, became the home of IVC US, Inc. IVC began production of vinyl floorcovering in 2011 resulting in an estimated 450 jobs. The second park was purchased in 2010 in the Carbondale area and was named the Carbondale Business Park. Construction of Phase I will be completed in 2015.

To help fund these projects:

• In addition to the \$9.85 Million in bonds for Commerce Park II, the County issued an additional \$3.2 Million in bonds through the Dalton/Whitfield Joint Development Authority

for the 2011 Project known as "Project Shield." This bond is to pay for acquisition and grading of certain land located in the County.

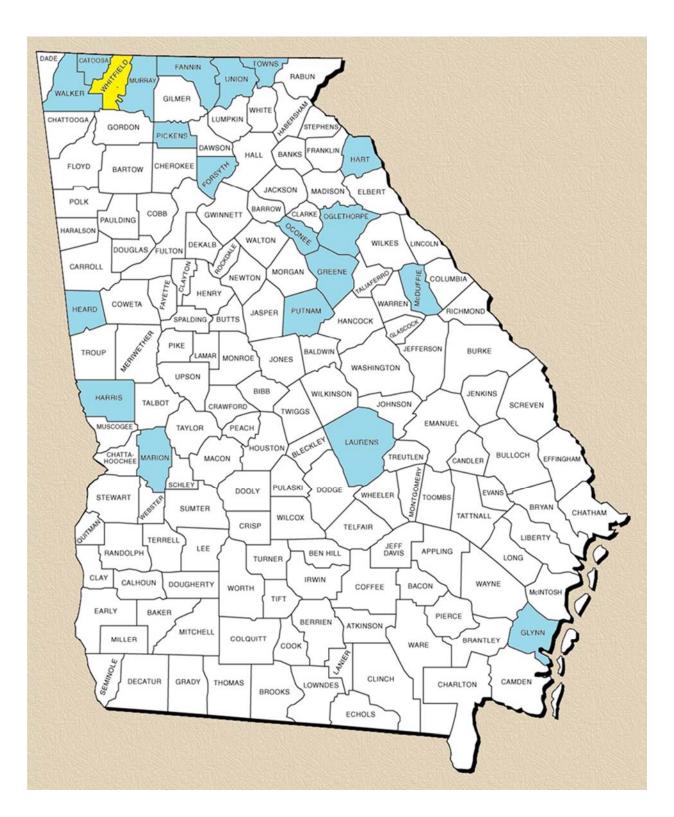

- The County has pledged up to 1 mill to fund the debt service on all the economic development bonds.
- In 2013 the JDA issued a public infrastructure revenue bond in the amount of \$7.185 million dollars to pay for the extension of public water, sewer, and gas lines.
- The FY 2015 General Fund budget includes an estimated debt service of \$2,037,364 for the economic development bonds and the debt service fund includes an estimated debt service payment on the 2013 bonds in the amount of \$1,700,000.

Capital Projects:

This budget includes a five year capital plan (Details at Capital Projects tab). The source of funding for the planned capital projects is identified but has not been funded or reserved except for FY15. The items listed as coming from the "Fund Reserves" and "General Fund Operating Revenue" will impact the operating budgets in coming years – either as available funds or the ability to spend the general fund revenues for other operations and programs. The funding for items coming from "Other Revenue Sources" still has to be identified and will come from financing, grants, donations if available. If another funding source is not found, the funding will have to come from general fund revenues or the project will have to be eliminated or deferred until funding is identified. Many capital projects have already been deferred to future years because of the impact of the economy on the FY15 budget. Paving was removed from the FY15 budget due to budget constraints and only very basic capital needs are addressed. This will result in some budgetary pressures when the County has to catch up spending in areas such as vehicles and road maintenance.

Millage Rate:

- The 2014 M&O millage rate remained the same at 6.061 mills. The FY15 budget assumes a 1 mill increase in the M&O rate when it is set in late fall of 2015.
- In order to avoid back door increases because of increasing property values, the State Taxpayer Bill of Rights required the calculation of a rollback rate that would generate the same amount of property tax collections as the previous year. If the actual millage rate exceeds this rate, an announcement of a property tax increase and three public hearings must be held to inform the public of the reasons for the increase.
- Each mill equates to \$2.5 million in property tax revenue on the current digest of \$2,586,661,775.
- Special Tax Districts were created in 2013 for the Fire Department, Solid Waste, and some of the County's jointly funded programs. The special tax districts total millage rate for 2014 equal 2 mills based on the current digest for unincorporated Whitfield County of \$1,590,578,525.
- The County's M&O 2014 millage rate ranking is the 20th lowest in the State and Whitfield County also has the 2nd highest homestead exemption in the state at \$20,000.

FY 2015 Budget – Major Revenue Sources

Property Tax:

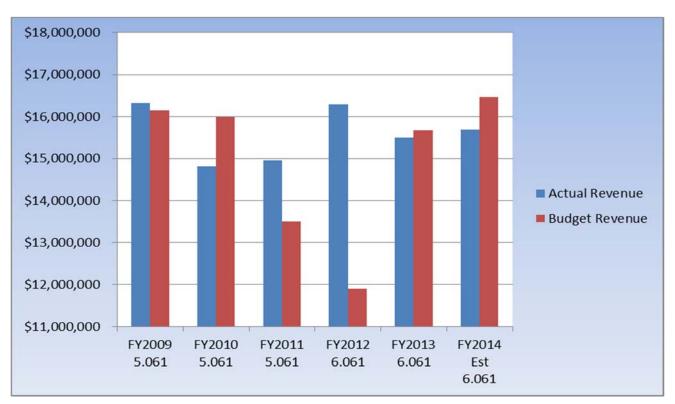

Whitfield County has experienced a steady decline in Net M&O Digest Totals since the downturn in the economy in 2008. The County continues to experience a soft residential real estate market which mirrors the national market. The property tax digest has been weakened and it is not known when the digest will return to 2008 levels. The County has experienced a less than 1% increase in the Net M&O digest in the years 2013 and 2014. In an effort to keep the County competitive with surrounding counties and to attract new business and new jobs to our area the County Commissioners voted in 2011 (effective 2012) to increase the Freeport Exemption to 100%. As noted in the table below, the Freeport Exemption increased Whitfield County's exemptions on the Gross Digest from approximately \$491 million dollars to \$835 million dollars. This exemption increase cost the County approximately 2 million dollars in property tax revenue in 2012.

Estimated actual property tax collections for 2014 are estimated at \$15,700,000 or 95% of budgeted 2014 collections of \$16,466,000. Actual receipts for the current tax year include all payments for the first two months in the following year. Accordingly, 2014 actual collections are estimated and will be finalized at the end of February, 2015.

The County M&O millage rate for 2014 was set in October at 6.061 and remained the same as 2013. The special tax district millage rate for 2014 was set in October at 2.000. This millage rate is charged only to unincorporated county residents as well as residents of all municipalities in the county other than the City of Dalton.

Due to market conditions, the County has budgeted for a 3% increase in the Net M&O Digest for 2015 and a 1 mill increase in the 2015 M&O millage rate. FY15 budgeted property tax revenues equal \$18,800,000. The 2015 millage rate will be set in the fall of 2015. As mandated by state law, the millage rate is assessed on only 40% of the property valuation. Separate charts are attached to show how a dollar of property tax revenue is allocated amongst the various state and local governments and to show a history of budgeted vs. actual property tax collections from 2009-2014.

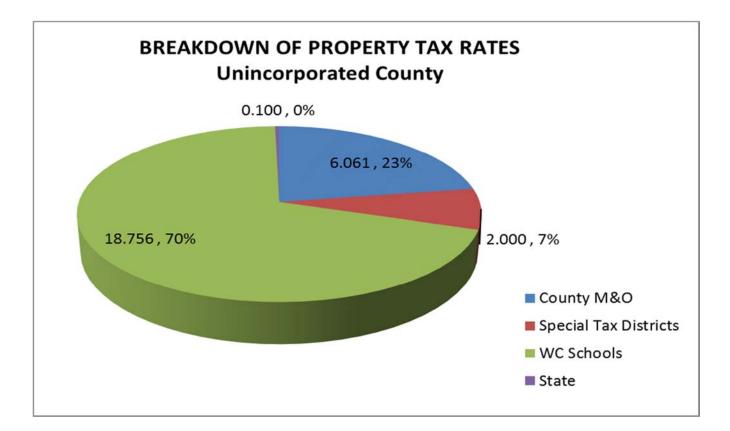

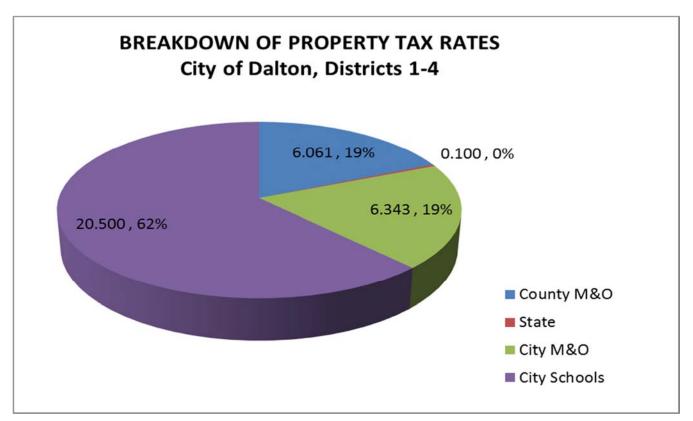

Property Tax Chart – Budgeted vs. Actual 2009 – 2014

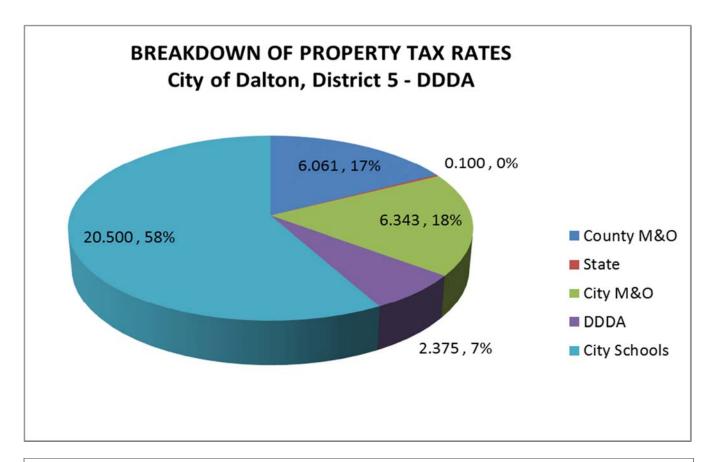

In 2012 the Whitfield County Board of Commissioners created special tax districts to include all areas of Whitfield County outside the municipal limits of the City of Dalton for the purpose of providing adequate and equitable funding of certain jointly funded services between Whitfield County and the City of Dalton for the benefit of all such areas. Three special tax districts were created as follows:

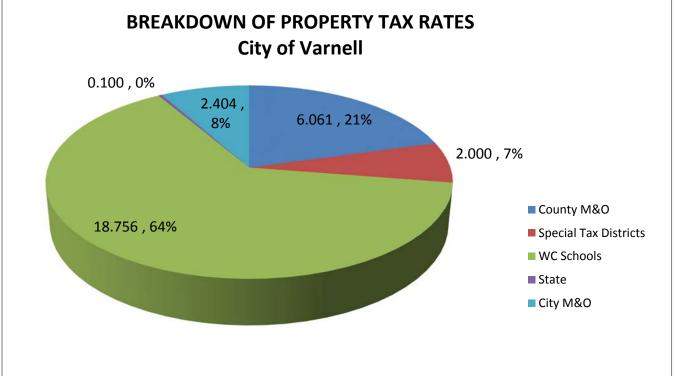

- 1. <u>Jointly Funded Service District:</u> Such jointly funded services shall include Whitfield County's contribution toward the Dalton-Whitfield County Joint Development Authority (JDA), the Dalton Regional Library, and the Dalton Whitfield Senior Center.
- 2. <u>Fire District:</u> For the purpose of providing adequate and equitable funding for the Whitfield County Fire Department.
- 3. <u>Solid Waste District:</u> For the purpose of providing adequate and equitable funding of solid waste services within such areas.

The special tax districts total millage rate for 2014 was set in October 2014 at 2.000 based on the current digest for unincorporated Whitfield County of \$1,590,578,525. The total budgets for the special tax districts will be accounted for in special revenue funds for FY15.

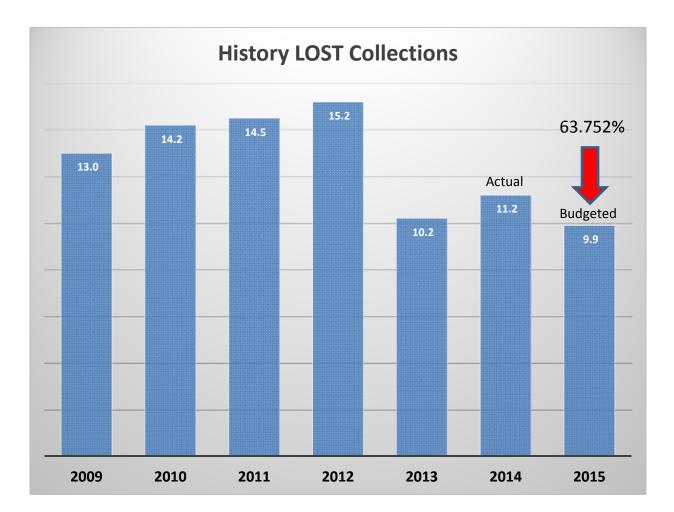

Sales Tax:

The total sales and use tax rate in Whitfield County is currently 6% and is distributed as follows: 4% State, 1% Local Option Sales Tax (LOST), 1% Educational Special Local Options Sales Tax (ESPLOST).

Local Option Sales Tax (LOST) is one of the County's most significant sources of revenue. The LOST sales tax will fluctuate with consumer spending. From 2004 to 2006, LOST revenue increased an average of slightly under \$900,000 per year. In 2007, the County began to experience a downward trend which continued through 2009. In 2010, the trend began increasing and has continued to move slowly upward.

The following chart shows the County's sales tax history. The County entered into LOST negotiations as required by state law in 2012 with the City of Dalton and the other cities located within the County's borders. As a result of these negotiations the County will receive a much smaller percentage of LOST collections than it has received in past years. The FY15 budget was based on a 5% reduction of 2014 estimated collections. In 2013 a large refund was processed to a large manufacturer in Whitfield County that resulted in unusually low collections for the months of June & July. These low collections were taken into consideration when budgeting for 2014 and 2015. The County's share of LOST for 2013 & 2014 changed from 83.24% to 64.50% and 63.75% for 2015 & 2016 due to the new LOST agreement.

Sales Tax Cont. - HB 386:

Also affecting sales tax revenue in 2015 is the introduction of HB386. House Bill 386 is the result of two years of work between the 2010 Special Council on Tax Reform and Fairness for Georgians and the Georgia Competitiveness Initiative. There are two main components of HB386 that will effect Whitfield County's sales tax collections in the upcoming years.

Beginning January 1, 2013, the state and local sales and use tax on energy used in manufacturing will be phased out over a 4 year period. The percentage effective for 2015 is 75%. Education SPLOST and ESPLOST are exempt from this phase-out. Counties and Cities in Georgia were given the option of enacting a 2% excise tax to replace the sales tax on energy used in manufacturing over the same 4 year period. In an effort to support our manufacturers, Whitfield County elected not to implement this excise tax. The total amount of lost sales tax revenue due to this exemption is difficult to estimate and will be an unknown factor for this year's budget.

Beginning March 1, 2013, the sales tax and ad valorem tax on automobiles was replaced with a one-time title tax fee of 6.5% in 2013, 6.75% in 2014, and 7% in 2015 when titling an automobile. The premise of this provision is to eliminate the ad valorem tax on vehicles and capture revenue from the casual sale of automobiles.

The state and local governments will split the revenue from the title tax fee. An analysis performed by the Georgia State University Fiscal Research Center indicates that local governments in the aggregate will see an increase in revenue statewide in the first two years of the title tax system, would break even in year three, and would lose revenue going forward. This factor will also have an unknown effect on Whitfield County's sales tax collections in the upcoming years.

SPLOST:

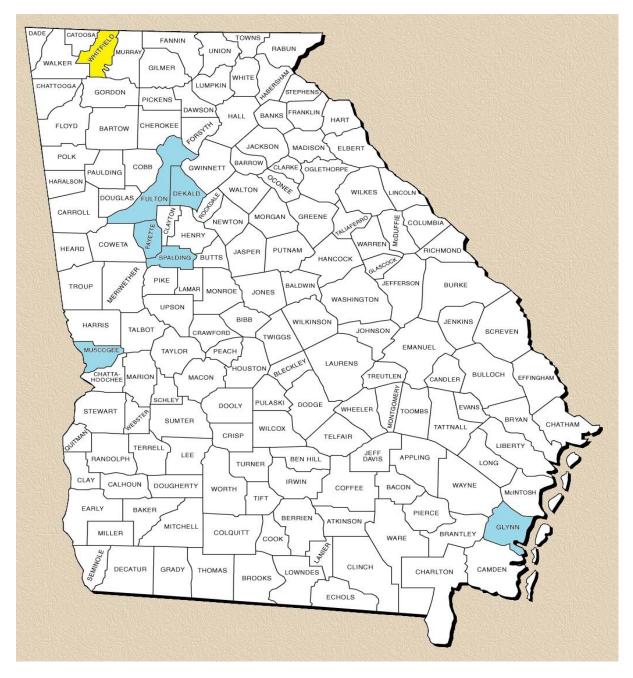

SPLOST is an optional 1 penny county sales tax used to fund capital projects proposed by the county government and approved by the voters. County governments may not use SPLOST proceeds for operating expenses or maintenance of prior SPLOST projects. Several factors determine the length of time that a SPLOST can be imposed but they normally are levied for a five year period. Counties utilize SPLOST funds for many different types of capital outlay projects which may include:

- Construction and improvement of roads, streets, bridges, and sidewalks
- Improvement of surface water drainage for roads, streets, bridges, and sidewalks
- Purchase of police cars, fire trucks, and other major equipment
- Construction of new facilities

Whitfield County voters passed a \$48,000,000 SPLOST in 2008 for the main purpose of financing capital outlay projects involving roads, streets, and bridges. The County has completed collections on the 3 year SPLOST and will continue completion of these projects in FY15. Whitfield County has not had a SPLOST in place since December 31, 2010. With the absence of a current SPLOST, funding for the type of future projects listed above must come from general fund revenues. In the current economic downturn and in an environment of declining revenues, in order to maintain the service delivery that Whitfield County citizens have come to expect, the County must put many future major capital outlay projects on hold until a new SPLOST is passed.

SPLOST (continued):

In November of 2011, Whitfield County voters did not approve a two year SPLOST that would have raised an estimated 35.7 million dollars for SPLOST projects within the County. The following seven counties in the state of Georgia are the only counties currently without a SPLOST as shown by the chart below: Whitfield, Dekalb (has HOST & MARTA tax), Fayette, Fulton (has MARTA tax), Glynn, Muscogee, & Spalding.

*Information found at etax.dor.ga.gov

SPLOST (continued):

Many of the projects funded with the 2008 Special Purpose Local Option Sales Tax (SPLOST) are still in the construction phase and will continue into 2015 and possibly on into 2016. On March 17th, 2015, the County will hold a special election to present a four year 2015 SPLOST estimated to raise approximately 64 million dollars in revenue. If this SPLOST passes the tax would be effective July 1st, 2015. The 2015 SPLOST includes funds for county paving/resurfacing, a new public safety communications system, public safety equipment, recreation improvements, and a new county fire department.

Key Budget Notes

Performance Measures:

Beginning in 2011, performance measures and statistics were included as part of the budget process. Performance measures are designed to be an analytical tool or a kind of report card to the citizens. The departments are now reporting on the volume of work they are doing (performance statistics) and some have developed actual goals (performance measures). To illustrate, the fire department's budget is \$6.4 Million for 2015. With performance statistics, we can see that they are responding to about 5,300 calls per year. With performance measures, we now know that their goal is to be at each incident within 6 minutes and that they are going to try to make this 75% of the time.

It is our hope that these performance measures will be a tool to better inform the public with the amount of work being done on their behalf and to be able to hold the County more accountable in the accomplishment of our mission.

Conclusion

In these difficult and challenging economic times, Whitfield County is still committed to continue the same level of services in 2015. The County has a core work force that is trained and talented that needs to be maintained. Fund reserves were used to balance the FY 2015 budget; however, the need for raising property taxes will be reassessed in the later part of the year. It is the Board's desire to maintain a ninety day reserve and still be able to accomplish these goals in this period of declining revenues and to continue to fulfill the County's mission.

The Government Finance Officers Association of the United States and Canada (GFOA) presented an award of Distinguished Budget Presentation to Whitfield County for its annual budget for the fiscal year beginning January 1, 2014.

In order to receive this award, a governmental unit must publish a budget document that meets program criteria as a policy document, as an operations guide, as a financial plan, and as a communication device.

The award is valid for a period of one year only. We believe our current budget continues to conform to program requirements, and we are submitting it to GFOA to determine its eligibility for another award.

County Administrator Mark Gibson

Whitfield County Board of Commissioners 301 W. Crawford Street Dalton, Georgia 30720 706-275-7503

It is my honor to have been born and raised in Whitfield County. I have seen many changes occur in our community during my lifetime. One thing that has never changed is the sense that our community is one we are proud of and love to call our own.

Whitfield County has passed a population milestone and the population will require more resources to flourish once again. Our educational and job training institutions are ever continuing their service levels and programs to meet the expectations and needs of industry. For quality growth of existing and new industry all government entities must support and augment the efforts of one another during the current times.

Our talented economic development professionals as well as professionals of other disciplines play a role in the expansion and attraction of industry. We must continue our efforts toward these endeavors for the sake of job creation.

The history of our County is both rich and runs deep. Protection of our history and historical assets is also paramount to the story our community tells when one lives or visits here. Whether it is from the County's founding, the Civil War story we tell, the textile industry's earliest beginnings, or many other significant events and locations, we must protect it for future generations.

Our county departments operate on budgets that are most cost effective and provide a level of service the citizens expect. Changes have occurred to increase efficiencies and more are sure to come. Nevertheless, the County will provide the levels of service expected.

I am proud to live, work, and play in Whitfield County.

# WHITFIELD COUNTY, GEORGIA OVERVIEW

#### **GENERAL INFORMATION**

Whitfield County is located in the northwest region of Georgia and the population has been estimated to be 103,000+. Whitfield County covers 290 square miles and the greatest distance between boundaries is 26 miles. It is known to be the economic hub for this region.

Whitfield County was formed from a portion of Murray County in 1851 becoming Georgia's 97<sup>th</sup> county. It was named for the Reverend George Whitefield, the founder of the Bethesda Orphan House in Savannah. The spelling of the County's name was later changed to reflect the way it was pronounced.

Our County is the gateway to the 150 miles Chieftain's Trail, which trace the path of the Cherokee Indian sites, located in the northwest Georgia area. Dalton/Whitfield County is also known as the "Carpet Capital of the World".

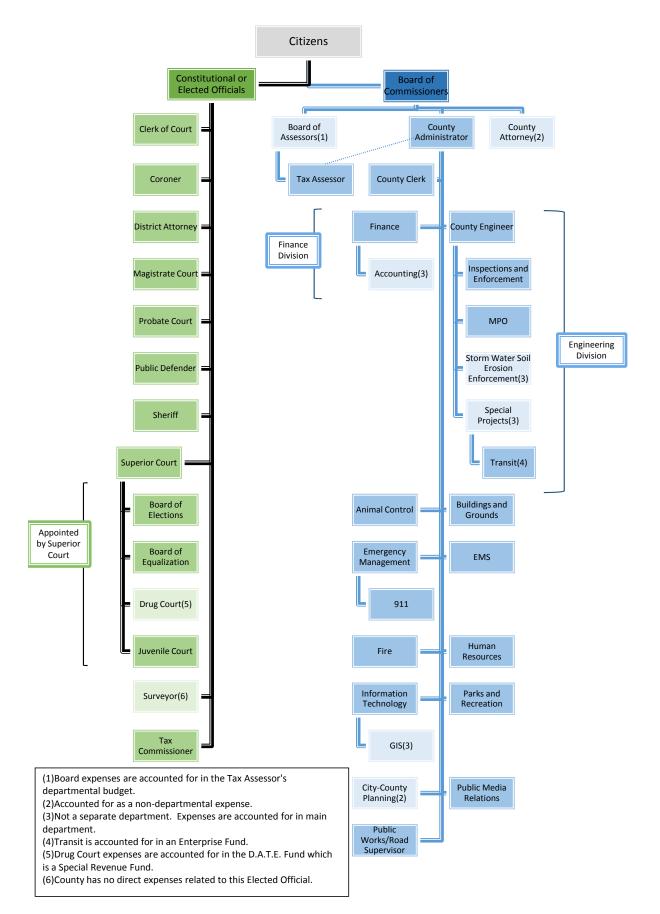

# <u>Government</u>

Whitfield County has operated under a Commissioner-Administrator form of government since 1971 known as the Board of Commissioners. Policy-making and legislative authority are vested in the Board of Commissioners that is composed of a Chairman elected at-large and four Commissioners elected one from each of the four districts. Each serve a four year staggered term. The Board is responsible for passing ordinances, adopting yearly budgets, appointing committees, the hiring of the attorney, auditors, and County Administrator in addition to other duties. The County Administrator is responsible for operation, administration and the finances of the County. Each department manager serves along side the Administrator and at the pleasure of the Board of Commissioners to administrator is responsible for the enforcement of all policies and ordinances of the Board of Commissioners.

#### **County Services**

Whitfield County provides for and manages a wide range of services that include police protection by way of our Sheriff's Department, maintenance of roads and other infrastructure, planning and zoning, inspections and enforcement services, various court services, elections, building and grounds maintenance and upkeep, preservation of public records and documents, jail services, information technology services including GIS, emergency management and 911, fire protection, animal control, parks and recreation and more.

# OTHER PLANNING PROCESSES

The County has a number of ongoing plans, many of which are required by law. In addition, the County undertakes a specific study to help with a specific area or process. As part of the budget process, financial needs identified by these studies are reviewed for inclusion in the adopted budget. The following is a list of the projects noting a brief description of the purpose or requirement that led to the study, the period the plan is intended to cover, and some key milestones and needs identified by the study. These studies are in two major categories: General Government and Metropolitan Planning.

#### General Government Studies

#### Whitfield County Comprehensive Plan

This plan was updated in 2008. It updates the former *Whitfield County Comprehensive Plan 2000-2020* adopted in 2002 by the Whitfield County Board of Commissioners and the mayors and city councils of Dalton, Tunnel Hill and Varnell. Like the 2002 plan, this 2008 update will serve as the official comprehensive plan for unincorporated Whitfield County and the municipalities of Dalton, Tunnel Hill and Varnell.

Comprehensive planning is an important management tool for promoting a strong, healthy, community. A Comprehensive Plan provides a vision, clearly stated and shared by all, that describes the future of the community. It protects private property rights and also encourages and supports economic development. The plan can be used to promote orderly and rational development so that Whitfield County and the cities of Dalton, Tunnel Hill and Varnell can remain physically attractive and economically viable while preserving important natural and historic resources.

The comprehensive plan provides the tool to become more certain about where development will occur, what it will be like, when it will happen, and how the costs of development will be met. It provides a tool for the community to achieve the development patterns it desires, such as: traditional neighborhoods, infill development, creating a sense of place, providing transportation alternatives, permitting mixed uses, protecting natural resources and accommodating economic growth.

Planning also helps the County and its municipalities invest their money wisely in infrastructure such as roads, water and sewer, schools, parks and green space, and other facilities to maintain and improve the quality of life for the residents of Whitfield County.

The *Community Agenda* represents the community's vision, goals, policies, key issues and opportunities that the community intends to address, and an

action plan highlighting the necessary tools for implementing the comprehensive plan. In addition, it outlines desired development patterns and supporting land uses with a future development map for unincorporated Whitfield County and the cities of Dalton, Tunnel Hill and Varnell.

The *Community Agenda* serves the purpose of meeting the intent of the Georgia Department of Community Affairs' (DCA) "Standards and Procedures for Local Comprehensive Planning," as established on May 1, 2005. Preparation in accordance with these standards is an essential requirement in maintaining status as a Qualified Local Government. State law required Whitfield County and its municipalities to update their respective comprehensive plans by October 31, 2008. For planning purposes, DCA classifies Whitfield County as an "Advanced" planning level jurisdiction.

Key milestones and results are listed below. These milestones were taken from the Short-Term Work Program (STWP) Report of Accomplishment for the 2008-20012 STWP. Many of the action items were postponed or eliminated due to the economic conditions. A new STWP was finalized in 2013 and will be updated again in 2018.

- Implemented strategies outlined by branding campaign prepared by the Dalton-Whitfield Joint Development Authority.
- Coordinated with the Dalton-Whitfield MPO on the Long Range Transportation Plan 2040 Update.
- Combined Board of Zoning Appeals, Planning Commission, & Inspections & Code enforcement with the City of Dalton to provide for elimination of duplicated services and provide for the service delivery strategy agreement.
- Prepared a landscape ordinance that promotes the use of Landscaping with native vegetation or non-invasive species that requires limited (or none at all) irrigation. Not adopted at this time.
- Prepared a tree protection and hillside ordinance for adoption. Not adopted at this time.

## Whitfield County Parks and Recreation Master Plan

This is a ten year study covering 2008-2018. This was a specific needs study with the purpose being:

- 1. Establish goals and objectives to assist Whitfield County in its future development and enhancement of the recreation facilities and programs.
- 2. Complete a needs analysis: (a) the need for improvements to existing parks, and (b) prepare a capital improvements schedule.
- 3. Complete an inventory and analysis of existing facilities and programs.

Recommendations were made for the following:

- Land Acquisition
- Improvements to Existing Parks
- New Parks and Facilities
- Trails
- Capital Improvements and Implementation Plan

Whitfield County Government has done an excellent job following the scheduled *Parks and Recreation Master Plan* that County Commissioners adopted in 2008. Listed below are accomplishments that support the commitment to the adopted Parks and Recreation Master Plan:

- Land Acquisition:
  - Purchased 98 acres for the new Westside Park.
- Improvements to Existing Parks:
  - Completed restoration projects at all County owned facilities. The following facilities were upgraded: Dawnville Park, Pleasant Grove Park, Parks and Recreation Main Office, Gillespie Gym and Edwards Park Concession Stand.
  - Added playground equipment at Dawnville Park and addressed drainage problems.
  - Added 2 new football fields at Edwards Park.
  - Completed (in house) light level assessment on all athletic fields, courts and gyms throughout Whitfield County. Relamped all lights at Varnell Gym, Gillespie Gym and Cohutta Park's three baseball fields and all eight fields at Edwards.
- New Parks and Facilities:
  - Secured the Eastbrook Gym for ownership once a new gym is built at the school.
  - Have received over \$180,000 in grants and donations for the handicapped accessible Miracle Field.
  - Completed Phase I of Westside Park (Miracle Field) in 2012.
  - Completed Phase II of Westside Park in 2014.
- Trails:
  - Completed last phase of construction for walking trail at Edwards Park.
- Planned Capital Improvements:
  - Installation of lighting is planned during 2015 year for half the Tennis Courts at Edwards Park along with the two football fields at the Park.

- Replacement of the Whitfield County Recreation Gym is planned in 2015.
- General Operations:
  - Expanded recreation programming as suggested in the plan. The Program added 7-8 age Basketball in 2011, and also added 5-6 age Basketball in 2014. In the 2015 Season Soccer will be added to the fall schedule.
  - Added an additional youth select league for baseball and fastpitch for what is called a competitive league.
  - Assumed full responsibility for the registration process in 2014 in order to reduce registration fees and make recreation programs more affordable.
  - Implemented on-line registration in 2014 in an effort to streamline the registration process.
  - Created a new Maintenance Program carried out by the Public Works Department which has been responsible for several Park enhancements, along with all the mowing of the County Parks.
  - Began discussions with the County School System about the possibility of running some of the Middle School programs.
  - Continued the philosophy of welcoming all Whitfield County youth to join any Whitfield County league team, and as such, to allow City of Dalton recreation teams to play in Whitfield County leagues.

## Whitfield County Administration Buildings Feasibility Study

This study was undertaken in December of 2008 as an internal study to determine the best strategy for the County to provide administrative office space for County Staff and the formal meeting space for County Commissioners. The majority of the administrative offices currently being used are in two structures that were originally designed and built as downtown Dalton churches. Administration Building #1 was constructed in 1972 and has 19,000 square feet. Administration Building #2 was built around 1920 and has 25,000 square feet. In addition, the County could combine several other small administration offices into a one-stop shop. Accordingly, all of the buildings in the study are 40+ years old.

The study identified some major costs to renovate these two primary administration buildings including some urgent repairs totaling \$8 to \$10 Million. The study also identified other factors:

- Future space The future space needs are estimated at 51,000 SF while current total space is only 44,000 SF.
- Energy efficiency The current buildings were not built for energy efficiency; a properly designed building could save over 20% per year in energy costs.
- Image The current buildings make it difficult for the citizens to find the services they need and do not present a good image.

The study estimated the costs of a new building constructed at the site of Administration #2, including demolition costs, to be around \$13 Million. The analysis determined that this was the optimal solution:

- It would provide for the space requirements of a growing County.
- It would be energy efficient and provide ongoing energy cost savings.
- It would provide a one-stop shop with a better image.
- It could be tied into the parking garage and provide ideal central access directly across from the Courthouse.
- All this could be accomplished for little more than the costs of upgrading the current administrative buildings.

However, this study took place just before the start of the Great Recession. With the drop in revenues and the reactions required to address these, this study and its recommendations have been put on indefinite hold. The most urgent repairs have been spread out over 5 years and the estimated costs have been built into the Capital budget. The repairs are ongoing and prioritized. The County has moved all operations out of the "old" health department building in preparation for the future site.

## Whitfield County Rural Public Transit Plan

This study was undertaken in June of 2009 at the request, and funded by, the Georgia Department of Transportation to assist the County in assessing its public transit needs and to develop a plan of action to address those needs. The County operates a rural transit service funded by the Title 49 US Code Section 5311 program and administered by the Georgia Department of Transportation (GDOT).

Though the study evaluated and found that the County's program was meeting the established performance criteria, it did propose the following:

Short Range (1-2 Years):

- Implement an effective and continuous marketing campaign to improve awareness of the transit program.
- Expand the fleet size.
- Extend the hours of operation to offer greater flexibility.

• Evaluate fare adjustment to meet increasing costs such as fuel.

Mid-Range (2-5 years):

- Create a more permanent presence at Dalton State College.
- Evaluate the results of the marketing and promotion campaign.

Long Term (Over 5 years):

- Consider further additions to the vehicle fleet.
- Work with GDOT to evaluate programs such as park & ride along I-75.
- Budget for new technologies to make the system management more efficient.
- Continue to monitor the systems effectiveness and performance.
- Replace vehicles and other capital equipment as needed.

With the continued growth of the County comes a growth with the ridership challenged population: seniors, low-income, and disabled residents. The use of public transit will also aid in road congestion and construction needs of the future. The transit program can help to address these issues into the future.

The Whitfield Transit Service has already implemented all the short range goals and some of the mid-range and long term goals:

- The fleet has expanded to a total of 10 buses/routes.
- An aggressive marketing campaign was started and is ongoing using better vehicle logos, radios, and newspaper ads and updates resulting in increased ridership.
- Hours have been expanded to run from 6:30 am to 6:00 pm.
- Fares have been adjusted to a flat fee of \$4 per trip for all riders; however, coupon books containing ten tickets can be purchased in advance for \$30 (\$3 per trip).
- A new reporting/routing software has been implemented with the assistance of GDOT.
- A new 11-bay bus shelter has been constructed.
- Buses continue to be replaced after 5 years of service or in excess of 100,000 miles.

### Metropolitan Planning Studies:

### Greater Dalton/Whitfield Metropolitan Planning Organization (GDMPO)

### GDMPO 2040 Long Range Transportation Plan

The purpose of the 2040 Long Range Transportation Plan (LRTP) for the Greater Dalton Urban Area - consisting of Dalton, Tunnel Hill, Varnell and Cohutta - outlines the transportation goals, objectives, policies and improvements needed to maintain a safe and efficient multi-modal transportation system for the movement of people and goods throughout the area in a manner that will enhance the economic, social and environmental qualities of the community. The overall goal of the 2040 LRTP is to develop a guide for orderly development of a safe and efficient transportation system for the movement of people and goods, which supports land use and economic goals of the area while promoting quality of life.

Whitfield County meets the following objectives through the LRTP:

- Identify and develop a long range, multi-modal transportation needs assessment.
- Identify specific transportation projects to improve the capacity and safety of our transportation system.

This study is long range and is more integrated with the County budget as items move into short range plans such as the TIP. At this time, budget funding for the LRTP is adequate.

## GDMPO FY 2015-FY 2018 Transportation Improvement Program

The purpose of the FY 2015–FY 2018 Transportation Improvement Plan (TIP) is to provide a four-year program outlining the most immediate implementation priorities for transportation projects from the Long Range Transportation Plan (LRTP). The TIP serves as the metropolitan area's short range plan to allocate transportation funding resources among capital and operating needs of the area. It covers a four year period, is updated each year and reapproved by the GDMPO Committees which are made up of a Technical Coordinating Committee and Policy Committee comprised of appointed and elected officials of participating governments and agencies who oversee and operate major transportation modes with the region. The TIP is also incorporated into the Statewide Transportation Improvement Plan (STIP).

Whitfield County met the following objectives with the TIP:

• Identified and prioritized short range transportation projects for greater Dalton - Whitfield County over next four years.

• Organized and conducted required meetings to address necessary improvements.

## GDMPO FY 2015 Unified Planning Work Program

The FY 2015 Unified Planning Work Program (UPWP) helps ensure planning activities are part of a continuing cooperative and comprehensive transportation process involving federal, state and local agencies affected by transportation planning decisions. It also describes the GDMPO's planning goals and activities, cost estimates per activity, funding sources, and work schedule as well as defines parties responsible for carrying out various planning tasks including the development of Long Range Transportation Plans and Transportation Improvement Plans.

Whitfield County met the following objectives with the UPWP:

- Secured grants for overall Transportation Planning, Transit Planning and Transit Feasibility Study.
- Drafted and approved 2040 Long Range Transportation Plan.
- Modified Traffic Analysis Zone (TAZ) 2035 to include regional development in Whitfield County.
- Updated the *Transportation Improvement Plan*.

Whitfield County successfully prepared and built an organized group forum for appointed officials, elected officials and citizens to discuss and adopt transportation policies, plans and actions in the regional development of Greater Dalton and Whitfield County to the benefit of both and to local residents.

At this time, budget funding is adequate to meet the requirements of our transportation planning process based on the estimated funding coming from Federal and State as well as local funds.

## **BUDGET PROCESS**

Whitfield County adopts an annual appropriated budget pursuant to the Georgia Code. O.C.G.A. § 36-81-3. The annual budget serves as the foundation for Whitfield County's financial planning and control and requires monitoring throughout the fiscal year. Cost centers are required to keep close track of revenues and spending patterns as the current year progresses. As new ideas and programs are generated, the managers are challenged to project the plans into future year budgets.

The budgetary process begins around the 1st of August with a budget planning meeting. The Finance Director, Assistant Finance Director, and the County Administrator (budget team) meet with the departments to explain expectations for the upcoming budget year. All budget documents are distributed at this meeting and through e-mail. Information requested from the departments include explanations of any requested amounts in excess of the prior year's approved budget, explanation of actuals that have a large variance from approved budget, personnel requests for the upcoming budget year, capital requests, and performance measurements. Departments are also asked to review mission statements and goals for any changes required for the upcoming budget year.

Budgets are submitted by the departments to the Finance Director and meetings are scheduled with each department head and the Finance Director, Assistant Finance Director, and the County Administrator during the months of August and September. Budgets are thoroughly reviewed by the budget team and are then forwarded to the Board of Commissioners for review. Meetings and budget workshops are held during the months of October and November with each commissioner to review revenue projections and discuss departmental budgets and any necessary budget actions.

In December, once the budget is compiled, the required public hearing is advertised and scheduled in order to promote citizen participation. The hearing is designed to allow public input on the budget before its final adoption. After the public hearing, all comments are considered and any necessary revisions to the budget are made. Notification of the final budget adoption is advertised in the local newspaper and a copy of the budget is placed on file in the Finance Office and on the County's website as required by state law around the middle or end of December.

Because spending limits are defined, the formal budgeting process is a major controlling influence on the County. The annual appropriated budget of each fund is integrated into the accounting system to ensure budgetary compliance. The use of encumbrance accounting also has been established as a control mechanism to prevent over expenditures.

Budgets for governmental funds have been prepared on the modified accrual basis of accounting. Under this basis of accounting, revenues are recognized when they become both measurable and available as net current assets. Expenditures are recognized when

the related liability is incurred. Budgets for the proprietary funds are prepared on the accrual basis of accounting. Under this method of accounting, revenues are recognized when earned and expenditures are recognized when incurred.

To provide department heads the flexibility to manage their budgets, line-item transfers are allowed with the exception of salaries and benefits with approval from the Department Head, Finance Director, and/or the Assistant Finance Director. Transfers of appropriations from salaries and benefits, or between cost centers, require the special approval of the governing board. The Board of Commissioners has the authority to amend its budget for any appropriation increase/decrease in any fund for a department for projects approved during the year or any unforeseen changes to the budget.

All cost center budgets herein are line-item budgets based on the Uniform Chart of Accounts for Local Governments in Georgia. Grant-related cost centers are budgeted based on the County's fiscal year; however, the actual grant year may be different. (State and Federal grants often have fiscal years beginning July 1 or October 1 while others run concurrent with the calendar year.)

The County's fiscal year begins January 1 and closes on December 31. By State law, property taxes are due sixty days from the notice date. Interest accrues at 1% beginning the day after the due date. A 10% penalty is assessed after 90 days from the due date.

# FISCAL YEAR 2015 BUDGET ASSUMPTIONS

- The economy has officially ended the recession but faces a slow recovery period.
- Sales tax collections will be an estimated 6% lower than prior year due to the drop in the County LOST collection percentage to 63.752% from 64.850% based on the 2012 LOST agreement and the implementation of HB386.
- New industry will begin. Home construction will continue to see slow growth and net tax digest totals will slightly increase by 3%.
- Population counts will stabilize and work force declines seen in FY09/10 will continue recovery in FY15.
  - Demands for all types of public safety, courts, and general services will continue at FY14 levels
- No inflationary factors have been added to this Budget except for the following:
  - A 1 mill increase in the M&O Millage Rate for FY15 is budgeted; however, economic factors may dictate a constant or higher rate.
  - A 1 mill increase in the Special Tax District millage rates for FY15 for the Fire District, Solid Waste, and Jointly Funded Services funds is budgeted; however, economic factors may dictate a constant or higher rate.
- The General Fund Capital Budget is presented as a separate Fund.
  - The recommended source for the Capital Budget is a transfer from the General Fund. To be able to fund all the necessary Capital spending for FY15 the County would rely on funding from a 2015 SPLOST referendum scheduled to be presented to the voters on March 17, 2015. If the SPLOST passes a budget amendment would be required to the capital projects fund to allocate funds for the planned SPLOST capital projects.
- The threshold for Capital spending and presentation in the Capital Project funds budget will remain at \$10,000.

# FISCAL YEAR 2015 CAPITAL WORK

- A roof repair is scheduled for the East Brook Gym to be performed by the Buildings and Grounds department.
- Various equipment purchases are scheduled for the Public Works department to include (2) new tandem salt spreaders, 2 new 4X4 pickup trucks, and other miscellaneous equipment.
- Completion of a purchase of a new Financial accounting system and Document Storage Software for the Finance Department that began in FY14 and purchase of a new Document storage system for the District Attorney's office.
- Various purchases for the IT Department are scheduled to include the replacement of (50) outdated computer systems, the installation of a 208V power/generator for the Sheriff's office, (40) virtual desktop systems, and security proximity card readers for the courthouse and Sheriff's office.
- Various capital improvements are scheduled for the Recreation Department to include resurface of the gym floor at the main recreation office, install lighting at Edwards Park football field, install lighting at the Edwards Park Tennis Courts
- County vehicle replacements are scheduled to include a 4x4 pickup truck for Animal Control, 2 new trucks for Buildings and Grounds, a four wheel drive SUV for IT, a four wheel drive SUV for the Tax Assessor's office, and a four wheel drive SUV for 911 Emergency System.
- Upgrades and Maintenance for the Sheriff's office are scheduled to include painting and maintenance of ironwork, Courthouse security upgrades, a new transport van, a new mower for inmate crew, a new storage building, and a new camera/tag reader.
- Purchase of a new 100 Aerial platform Fire Truck is scheduled for the Fire Department and upgrades to the burn building used for training purposes.
- Work on the Transportation SPLOST Project will continue. FY10 was the last year of revenue collections but FY15 projects will use remaining funds. The FY15 work will consist of a small amount of engineering, additional property acquisition for new right-of-ways, utility relocation, and many road construction, and resurfacing & safety improvement projects contracts will be let.

## FISCAL YEAR 2015 ADDITIONAL GOALS AND OBJECTIVES

- Support the Joint Development Authority in developing the Carbondale Business Park to accommodate business diversity.
- Work jointly with the City of Dalton and the Trade & Convention Center (TCC) Board on the preservation and upgrading of this valuable community resource.

## FISCAL YEAR 2015 FINANCIAL INITIATIVES

- Continue to review rate structure in fee-based departments such as Inspection & Enforcement and Planning, and County Transit.
- Continue to implement cost savings measures through energy and resource conservation.
- Develop better software solutions for:
  - Personnel tracking and evaluation
  - Performance Based Budgeting
  - Document storage
- Continue researching pension options for future cost savings.

# FISCAL YEAR 2015 BUDGET STRATEGY PHASE I

The FY15 Budget has been prepared to address shortfalls in sales tax, property tax, and other revenues. The sales tax transfers coming from the State will be decreased for 2015 due to the new LOST agreement and the implementation of HB 386.

The FY15 Strategy is based on the following points:

- As much as possible, all departments have been held to flat budgets or budgets have been slightly reduced.
- Funding for PTO buyback has been removed from the budget.
- Longevity Pay has been removed from the budget.
- Pension Funding has been removed from the FY15 budget.
- Paving funds have been removed from the FY15 budget.
- A 1 mill M&O increase has been built into the budget for the General Fund and the Special Tax Districts.

The major operational cost is staffing which makes up about 65% of the budget. This is also the County's most valuable asset. Whitfield County has many educated, qualified, certified and experienced personnel that are essential to the efficient delivery of county services. Our overriding goal is:

• Keep the trained and capable work force intact.

## FISCAL YEAR 2015 BUDGET STRATEGY PHASE II

If the revenues decline beyond the forecasts in the FY15 Budget, then additional actions will be required. Many capital projects have already been deferred except for work underway and critical infrastructure work.

# FISCAL YEAR 2015 OPERATING BUDGET ACTIONS

- Expenditure lines have been reduced in all departments where feasible.
- No funding for promotions; any positions required will be by voluntary appointments without pay increases, actions to be reviewed quarterly.
- Evaluate employee retirement program for changes in FY15.
- Pension funding has been removed from the FY15 Budget.
- Paving funds have been removed from the FY15 Public Works Budget.

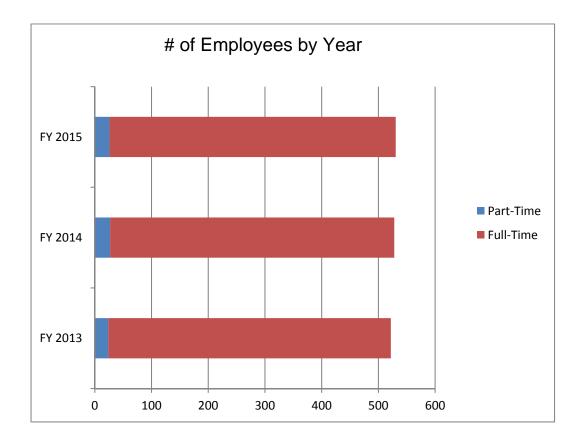

## PERSONNEL SUMMARY

For the FY 2015 Budget, Whitfield County has funded 504.50 full-time employees and 26 part-time employees for a total employment of 530.50.

The chart on the following page details the count by functional area such as General Government, Judicial, Public Safety, etc. with a listing of the departments falling into these functional areas.

Please note the following:

- The staff of the Public Defender's Office and all but 1 staff member of the District Attorney's Office are all either contract or state positions and are not included in Whitfield County employment numbers.
- Only the Judicial Administration staff of the Superior Court are included. The Judges and their staff are either contract or state positions.
- The staff of the 911 Emergency System (a Special Revenue Fund) and the Transit System (an Enterprise Fund) are not included in these employment numbers. These funds derive their income from federal/state grants and/or surcharges and user fees.
- Even though the Internal Revenue Service has ruled that Poll Workers are to be treated as employees, we have elected not to count them in our part-time staff numbers. The Poll Workers only work during an election and would skew the true employment picture.

## **PERSONNEL SUMMARY - COMPENSATION**

## Cost of Living Increase (COLA)

### For 2015, the Cost of Living increase is deferred.

Normal procedures:

- For planning purposes, a midyear 3% increase was forecasted.
- The market and salary conditions need to be evaluated in the Spring.
- Suggested funding would come from fund balance.

## "Salary Step Increase" Program

### For 2015, the "Salary Step Increase" is deferred.

Normal procedures:

- Employee must be given a satisfactory personnel evaluation.
- Allows employees to move through the pay scale, instead of always being at the base salary.
- A midyear start for the program is suggested.
- Need to revamp the Evaluation Program to identify below standard performance.
- Need to train evaluators in the proper way to use the Evaluation Program:
  - Need for counseling for below par performance
  - Ability to terminate below par performers
- Suggested funding would come from fund balance.

## PERSONNEL SUMMARY – BENEFITS

## Health Insurance Program

The County maintains a self-insured health insurance program. Funds are budgeted to pay claims, claims reserve, excess insurance coverage and administration costs of the program. Health insurance costs slightly decreased from FY12 to FY13. However, due to the impact of changes from the Patient Protection and Affordable Care Act as well as a rise in claims costs, a 23% increase over FY13 actuals is expected for FY2014. For FY15, a slight increase over FY14 of 1% has been budgeted.

## **Defined Benefit Pension Plan**

The County sponsors the Association of County Commissioners of Georgia Restated Pension Plan for Whitfield County Employees, which is a defined benefit pension plan.

The plan provides retirement, disability, and death benefits to plan participants and beneficiaries. All full-time employees are eligible to participate in the Plan after completing three years of service. Benefits vest after five year of service. Participants become eligible to retire at the earlier of: a) age 65 with 5 years of vested service or b) age 60 with 10 years of service. Upon eligibility to retire, participants are entitled to an annual benefit in the amount of 1% of average annual compensation up to \$6,600 plus 1.5% of average annual compensation in excess of \$6,600 plus \$36 for each year of service payable as a life annuity. For participants hired after January 1, 2003 the annual benefit is 1% of average annual compensation multiplied by years of service. Compensation is averaged over a five year period prior to retirement or termination. The plan provides benefits in the event of death or disability.

County employees are not required to contribute to the plan. The County contributes the entire cost of the Plan, using the actuarial basis described in the annual valuation report. Due to budget constraints, and because the County's pension plan was funded at a 121% funded level for the 2011 valuation year, the County made a zero contribution to the Plan for FY11, FY12, and FY13. A 50% contribution was budgeted for FY14. It is the intention of the Board of Commissioners to keep the plan funded at a 100% funding level but because the funded level of the plan for FY14 is currently at a 105% level, the FY15 budget includes a zero contribution to the plan.

## FINANCIAL MANAGEMENT POLICIES

### **OPERATING BUDGET POLICIES:**

- 1. Whitfield County will strive to finance all current expenditures with current revenues. Even though legally allowable (see item #4), the use of prior year fund balance to finance current year expenditures will be avoided unless a majority of the Board of Commissioners (BOC) approve the unusual use by resolution. The government will strive to avoid budgetary procedures that balance current expenditures through the obligation of future resources. Whitfield County will not use short-term borrowing to meet operating budget requirements.
- 2. The operating budget will provide for adequate maintenance of capital equipment and facilities as well as planning for their orderly replacement.
- 3. All Governmental Funds are subject to the annual budget process. Budgets will be prepared for Enterprise Funds to establish fees and charges and to control expenses.
- 4. The annual operating budget must be balanced for all budgeted funds. Total anticipated revenues and other resources available, including prior year fund balance, must equal total estimated expenditures for each fund.
- 5. All budgets will be adopted on the basis of accounting used for financial reporting purposes with Generally Accepted Accounting Principles (GAAP). There are no differences between the basis of accounting and budgeting. Moreover, items such as depreciation and compensated absences are recorded only at the entity wide level and Whitfield County prepares its budgets at the fund level. For governmental funds, revenues are credited when they become measurable and available and expenditures are charged against the budget when they become measurable, when a liability has been incurred, and the liability will be liquidated with current resources. For enterprise funds, revenues are incurred.
- 6. Appropriations not spent during the fiscal year will lapse at year end. Therefore, they are not recorded as a reservation of the fund balance. Outstanding commitments are re-budgeted each year. They will be charged against the new year's budget when a liability has been incurred.
- 7. The budget shall be adopted at the legal level of budgetary control which is the fund/department level (i.e., expenditures may not exceed the total for any department within a fund). Transfers of appropriations within a Department, other than personnel lines, shall require only a request by the Department Head or Constitutional Officer. Any transfer of funds that changes the total amount budgeted for a department or that increase the amount budgeted for salaries and benefits for a department shall require

the approval of the BOC in accordance with the enabling legislation. Department heads and management personnel are directed to operate within budget limitations to prevent "emergency" situations.

- 8. Whitfield County will strive to include an amount in the General Fund budget approved by the Commission (i.e., a line item for contingencies) for unforeseen emergency operating expenditures. The amount of the contingency will be no more than 5% of the operating budget.
- 9. Whitfield County will maintain a budgetary control system to ensure that purchases are not authorized if there are not sufficient funds in the budget to pay for them. The county will prepare timely financial reports comparing actual revenues and expenditures with budgeted amounts so that the BOC, County Administrator, department heads and other interested parties may monitor the adherence to the budget.
- 10. The operating budget shall be developed to control both the direct and indirect costs of programs and services whenever possible.
- 11. Whitfield County shall comply with all state laws applicable to budget hearings, public notices, public inspection, and budget adoption.
- 12. It is expected that the revenues for Enterprise fund budgets shall be sufficient to pay the expenses of those funds. Excess revenues of Enterprise funds shall not be transferred to other funds unless authorized in the Annual Budget.

#### FUND RESERVE POLICIES:

1. <u>Purpose</u>

The purpose of this policy is to establish and provide for the sound financial management of Whitfield County's various designated reserves and to establish procedures for implementing the county's provisions regarding undesignated fund balance.

- 2. <u>Undesignated Fund Balance</u>
  - a. Definition. Whitfield County's undesignated fund balance as reported annually in the Financial Report represents potentially supplemental financial resources to the county which are available for subsequent expenditures. These are funds which have generally accrued through receipt of revenues in excess of those anticipated within a fiscal year as well as annual operating appropriations which have not been expended.
  - b. Purpose. The undesignated fund balance serves a number of stabilizing purposes. It represents a savings account or "rainy day fund" which is available for unforeseen emergencies, provides a cash flow cushion to offset the need for borrowing in anticipation of tax receipts, and provides evidence to Whitfield County's bond holders and bond rating agencies of financial stability and credit worthiness.

- c. Policy. It is the policy of Whitfield County to maintain an undesignated fund balance of approximately 25% of operating expenditures (90 days).
- d. Deficits in Other Funds. Before applying the provisions of this policy, the Finance Director along with the County Administrator shall make a recommendation to the Board of Commissioners (BOC) to transfer funds from the General Fund to eliminate deficits in other funds of the primary government. The first step will be for the Finance Director to transfer funds to eliminate any amounts due to the General Fund from those other funds that cannot be repaid since there was a deficit in the funds. Then such additional funds necessary to eliminate the deficits shall be transferred to those funds. These transfers will serve to reduce the General Fund undesignated fund balance used in the computation in 2.F. below.
- e. Computation of Fund Balance. On an annual basis upon receipt of the audit for the prior fiscal year, the Finance Director shall calculate the percentage of General Fund expenditures represented by the undesignated fund balance. This shall be calculated as follows: General Fund Expenditures plus Other Financing Uses shall be taken from The Statement of Revenues, Expenditures, and Changes in Fund Balance, Governmental Funds. Other financing uses shall be computed on a gross basis except that transfers to the Capital Projects Fund during the year shall be excluded from the amount of other financing uses. The unreserved/undesignated fund balance from Balance Sheet, Governmental Funds shall be divided by the total General Fund expenditures/uses.
- f. Transfer or Appropriation of Undesignated Fund Balance. The BOC may, by resolution, transfer amounts from Whitfield County's undesignated fund balance to any designated reserve. Funds may also be authorized for expenditure from undesignated fund balance through BOC appropriation.
- g. Priority Uses for Fund Balance Surplus. Any surplus fund balance may be used for the purposes set forth below:
  - i. To increase designated reserves set aside to offset established or anticipated liabilities of the General Fund where existing reserves, if any, are insufficient.
  - ii. To increase the designated reserve for improvements established below.
  - iii. To increase other established capital reserves where such reserves may be insufficient to meet their purposes, as set forth below.
  - iv. To increase Whitfield County's appropriated contingency account to address unanticipated current year needs.
- h. Other Comments. In general, undesignated fund balance should not be used to fund any portion of the on-going and routine year to year

operating expenditures of the county. It should be used primarily to insure adequate designated reserves, to respond to unforeseen emergencies, and to provide overall financial stability.

- 3. <u>Designated Fund Balance Reserves</u>
  - a. There are hereby established the following designated reserves:
    - i. Capital Projects Reserve
    - ii. Debt Service Reserves
    - iii. Special Program Reserve
- 4. <u>Capital Projects Reserve</u>
  - a. Purpose. The Capital Projects Reserve is established to provide potential sources of funding for the following purposes:
    - i. The purchase of capital assets.
    - ii. Major maintenance of county assets such as building/maintenance and repairs.
    - iii. Funding projects designed to reduce future year expenditures by enhancing operating efficiency or reducing costs.
    - iv. Providing a potential source of funding for capital projects which otherwise might require the issuance of debt.
  - b. Funding. The Capital Projects Reserve may be funded by direct annual appropriation in Whitfield County's operating budget, transfers from undesignated fund balance or other designated reserves, appropriation of unanticipated revenues received during any fiscal year, or transfers of unused or unneeded existing appropriations within Whitfield County's operating budget.
  - c. Authority to Use and Withdraw. The BOC must authorize the expenditure of these funds either as an element of the annual General Fund operating budget or through a separate appropriation resolution. Funds may be transferred from this reserve to other designated reserves or released to undesignated fund balance by BOC resolution. Funds may be transferred to a Capital Project Fund. Funds can then be expended from the Capital Projects Fund for items that have been included in a capital budget approved by BOC resolution.
  - d. Amounts of Limits. No limitations are placed on the amount which may be carried in this reserve.

### 5. <u>Debt Service Reserve</u>

- a. Purpose. The Debt Service Reserve is established to assist the County in continuing its normal operations without increasing the tax rate or by reducing tax rate increases. As such, this source may be used to fund any appropriate County expenditure.
- b. Funding. The Debt Service Reserve may be funded by direct annual

appropriation and through transfers from undesignated fund balance or other reserves.

- c. Authority to Use. The BOC must authorize the use of this reserve through an appropriation resolution.
- d. Amounts and Limits. No limitations are placed on the amounts which may be placed in this reserve.

#### 6. <u>Special Projects Reserve</u>

- a. Purpose. The Special Projects Reserve is established to assist the County in continuing its normal operations without increasing the tax rate or by reducing tax rate increases. As such, this source may be used to fund any appropriate County expenditure.
- b. Funding. The Special Projects Reserve is funded by specific revenue sources that are legally restricted as to use by Federal or State Governments or special purposes established by the Board of Commissioners.
- c. Authority to Use. Each project has its own authority for use and can use it for the designated/legal purposes up to the full reserve balance.
- d. Amounts and Limits. No limitations are placed on the amounts which may be placed in this reserve.
- 7. Other Provisions
  - a. Creation of New Reserves. The BOC may, at their discretion, create such other reserve funds as shall be deemed advisable. Such reserves shall be created by BOC resolution which shall include a statement as to the intent and purpose of the fund, the funding mechanism, and the authority to use and withdraw from the fund.
  - b. Elimination of Reserves. The BOC may, by resolution, eliminate any existing reserve. At the time such reserve is eliminated, the BOC shall either transfer any remaining balance to another designated reserve or undesignated fund balance or appropriate the remaining balance within the reserve to be used for the purpose for which the reserve was established, or for any other purposes designated by the BOCs.
  - c. Administrative Responsibilities. The Finance Director shall be responsible for monitoring Whitfield County's various reserves and for insuring adherence to this policy. The County Administrator is authorized to make recommendations to the BOC on the use of reserve funds both as an element of the annual operating budget submission and from time to time throughout the year as needs may arise.

## **REVENUE ADMINISTRATION POLICIES:**

1. Whitfield County will try to maintain a diversified and stable revenue system

to shelter it from short-run fluctuations in any one revenue source. The revenue mix should combine elastic and in-elastic revenue sources to minimize the effect of an economic downturn.

- 2. Whitfield County will estimate its revenues by an objective analytical process that strives to avoid estimates that are not achievable.
- 3. Whitfield County will follow a policy of paying for services with user charges when possible to reduce the reliance on taxes and other general revenue sources.
- 4. Whitfield County will aggressively seek public and private grants, contracts, and other outside sources of funding projects when appropriate.
- 5. Whitfield County will establish the levels of all user charges based on an analysis of the cost of providing the services. User charges will be re-evaluated annually.
- 6. Whitfield County will set fee charges for each Enterprise Fund at a level that fully supports the total direct and indirect cost of the activity. Indirect costs include the cost of annual depreciation of capital assets and requirements for future capital costs.

## ACCOUNTING, AUDITING, & FINANCIAL REPORTING:

- 1. An independent audit in compliance with Generally Accepted Audit Standards will be performed annually by a qualified external auditor in accordance with GA Code 36-81-7.
- 2. Whitfield County Government will prepare a Comprehensive Annual Financial Report in accordance with Generally Accepted Accounting Principles (GAAP).
- 3. Whitfield County will strive to prepare the Comprehensive Annual Financial Report to meet the standards of the GFOA Certificate of Achievement in Financial Reporting Program.
- 4. Whitfield County will establish and maintain a high degree of accounting practice. Accounting systems will conform to Generally Accepted Accounting Principles (GAAP).
- 5. Whitfield County will maintain accurate records of all assets to insure a high degree of stewardship of public property.
- 6. Whitfield County will develop an ongoing system of financial reporting to meet the needs of the governing authority, the manager, department heads, and the general public. The reporting systems will promote budgetary control and comparative analysis.
- 7. Whitfield County shall review billings related to the various properties in the name of Whitfield County Industrial Development Authority on behalf of private entities to be sure that all entities are paying the correct amount of property tax.

When industrial revenues bonds have been issued on behalf of a private entity and their property has been placed in the name of the Whitfield County Industrial Development Authority, this review shall include determining whether a tax abatement agreement has been entered into or not. If not, then the review shall determine that the private entity has been billed for the full amount of the property taxes for the year.

Where tax abatement agreements have been entered into with those companies, this review shall include ensuring that the terms of the abatement have been followed correctly in determining the property values to be taxed for the year.

It will also include ensuring that when such abatement agreements or industrial revenue bonds expire, that the properties in question are transferred back into the name of the private entity and have been included in the digest valuation for the appropriate year property taxes so that the proper billing will be made.

## **DEBT POLICIES:**

- 5. The investment program should provide for a system of internal control over investments and timely financial reporting over investing activities.
- 6. All investments shall be made with consideration for environmental and human rights impact.

## DEFINED BENEFIT PENSION PLAN FUNDING POLICIES:

1. Purpose

The purpose of this policy is to outline the principles that will guide the Board of Commissioners (BOC) who sponsor the Whitfield County Defined Benefit Plan and the Plan Actuary in making funding decisions about the Plan in order to accumulate funds needed to fulfill the Plan's obligations to the participants and beneficiaries.

2. Policy

The overall funding target for the Plan is to have a funding ratio of at least 100% on a solvency basis. Until this funding target is reached, any funding excess should normally remain in the plan to protect against potential adverse deviations. This funding target should be reviewed as the plan matures to ensure that it remains appropriate.

3. <u>Contributions</u>

The annual contribution will be the greater of the level contribution required to fund all current and future benefits promised to current plan participants or the contribution amount determined by the Plan Actuary based on the Statement of Funding Policy adopted by the Trustees for the Association County Commissioners of Georgia. Accumulated funding credits shall only be used if necessary towards the annual required contribution if the plan's funding ratio exceeds 100%.

4. <u>Benefit Improvements</u>

The BOC will only consider granting benefit improvements if the funding ratio exceeds 80%.

5. <u>Compliance</u>

The BOC will comply with all applicable laws and regulatory requirements. An actuarial valuation for funding purposes must be filed with the State Auditor at least

biennially. The minimum contribution that must made to the Plan will be based on the annual actuarial valuation report prepared by the Plan Actuary which is in conformance with federal and state regulatory requirements. The BOC will comply with all of the requirements of the recent Statement of Funding Policy adopted by the Trustees for the Association County Commissioners of Georgia.

### PURCHASING POLICIES:

- 1. It is the intent of the governing authority of Whitfield County, Georgia to assure that, in filling the needs of the County for goods and/or services necessary for governmental functions, the financial interest of the County are protected.
- 2. The Purchasing Policy, adopted by the Board of Commissioners (BOC), shall apply to all County Departments which for the purposes of this policy shall mean any County government department funded, in whole or in part, by the Whitfield County Board of Commissioners.
- 3. The County Administrator shall maintain a County Finance Department, which shall be headed by the County Finance Director, who shall be responsible for the review of requisitions presented by each County Department for the purpose of assuring that the highest quality products and services are provided to the County at the lowest reasonable cost.
- 4. The Finance Department shall have the authority to require a performance bond from a third-party provider before entering into a contract.
- 5. The Finance Director shall have the authority to prohibit third-party vendors from offering goods and/or services for a period not less than two (2) years if said vendor is determined, in the sole discretion of the Finance Department, to have acted in bad faith in soliciting the business of the County, or breaches any agreement for contract with the County, or establishes a pattern of unethical business practices with the County.
- 6. All qualified third-party bidders for goods or services required for the County shall be given equal opportunities and identical terms for purposes of determining and submitting a quote to the County.
- 7. The Finance Department shall not knowingly issue a purchase order when there is a conflict of interest.
- 8. Neither the Finance Department, nor any other Department of the County, nor any person employed by the County shall receive any benefit or profit from any contract or purchase made by the County.
- 9. Other than advertising novelties, acceptance of gifts at any time shall be prohibited. No County employee shall become obligated to any vendor and shall not conclude any County transaction from which he/she may personally benefit directly or indirectly.

10. The Finance Department shall strive to maintain strong professional and cooperative relationships with vendors and also with those who have a desire to meet the quality, service, and price needs of the County.

### **BUDGETING AND ACCOUNTING CONTROLS:**

As the chief financial officer for Whitfield County, the Finance Director is responsible for establishing and maintaining internal controls to ensure that the assets of the county are protected from loss, theft, misuse, and to ensure that adequate accounting data is compiled to allow for the preparation of financial statements in conformity with generally accepted accounting principles. The internal control structure is designed to provide reasonable, but not absolute, assurance that these objectives are met. The concept of reasonable assurance recognizes that the cost of a control should not exceed the benefits likely to be derived, and that the valuation of costs and benefits requires estimates and judgments by management.

As a recipient of federal and state financial assistance, the government is also responsible for ensuring that adequate internal controls are in place to assure compliance with applicable laws and regulations related to those programs. Thus internal controls are subject to periodic evaluation by management.

In addition, the county maintains budgetary controls to ensure compliance with the annual appropriated budget approved by the Whitfield County Board of Commissioners (BOC). Budgetary control is essential to ensure high-quality financial management, and that the county has established a tradition of balanced budgets and good budgetary control. Annual appropriated budgets are adopted on a basis consistent with generally accepted accounting principles for the general fund, debt service fund, and all special revenue funds. Annual operating budgets are not legally required for enterprise funds, but are prepared for use in planning, control, and evaluation purposes. Budgets are prepared for all fund types. For each fund, financing sources are identified for all expenditures/ expenses. The level of budgetary control (the level at which expenditures cannot legally exceed the approved budget) is established at the department level. Transfers of appropriations within a Department, other than personnel lines, shall require only a request by the Department Head or Constitutional Officer. Any transfer of funds that changes the total amount budgeted for a department or that increases the amount budgeted for salaries and benefits for a department shall require the approval of the BOC in accordance with the enabling legislation. Appropriated amounts lapse at year end and are generally re-appropriated as part of the following year's budget.

## FUND DESCRIPTIONS

Governmental accounting systems are organized and operated on a fund basis. A fund is a fiscal and accounting entity with a self-balancing set of accounts in which to record cash and other financial resources, along with all related liabilities and residual equities or balances. Each fund is segregated for the purpose of carrying on specific activities or attaining certain objectives as designated by Whitfield County. There are three broad categories of funds and eleven fund types as promulgated by the Governmental Accounting Standards Board. A description of each fund category and type is presented for your understanding.

#### **Governmental Funds**

Governmental funds account for activities with governmental operations. The modified accrual basis of accounting is used to measure the financial resources and uses of County funds.

**General Fund** – This fund accounts for all of the financial resources related to the general governmental services of the County, except those required to be accounted for in another fund.

**Special Revenue Funds** – These funds account for the proceeds from specific revenue sources that are legally restricted to be expended for specified purposes. These funds are usually comprised of federal, state and local governments.

**Capital Projects Funds** – These funds account for financial resources to be used for the acquisition or construction of major capital facilities other than those facilities financed by proprietary funds and trust funds.

**Debt Service Funds** – These funds account for the accumulation of resources for, and the retirement of, general long-term principal and interest.

**Permanent Funds** – These funds are used to report resources that are legally restricted to the extent that only earnings, and not principal, may be used for purposes that support the reporting government's programs. Whitfield County does not currently report any fund of this type.

#### Proprietary Funds

Proprietary funds are used to account for government activities that are similar to business operations in the private sector. The accrual basis of accounting is used for proprietary funds, and the reporting focus is on determining net income, financial position, and changes in financial position.

**Enterprise Funds** – These funds account for operations that are financed and operated in a manner similar to a private business. The intent of the governing body is that the costs of providing the goods and services to the general public be financed or recovered primarily through user charges. A periodic determination of revenues earned, expenses incurred, and net income is appropriate for capital maintenance, public policy, management control, accountability or other purposes.

**Internal Service Funds** – These funds account for the financing of goods or services provided by one department or agency to other departments or agencies of the County on a cost reimbursement basis.

#### **Fiduciary Funds**

Fiduciary funds account for assets held by the County as a trustee or agent on behalf of another party.

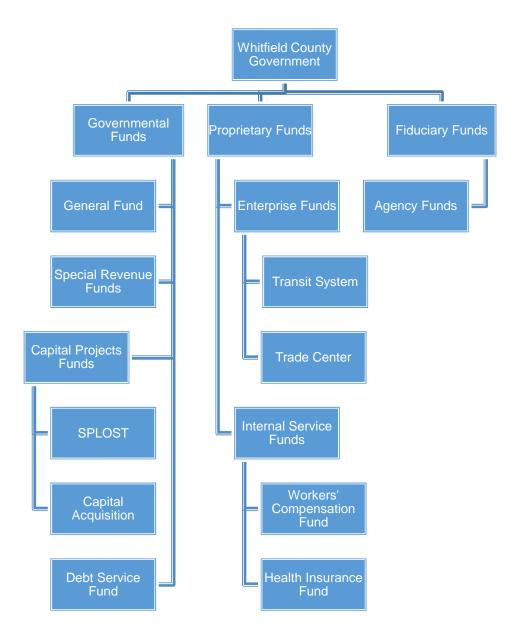

**Agency Funds** – These funds account for assets held by the County as a trustee or agent for individuals, private organizations, and other governmental units. Agency funds are custodial in nature and do not involve measurement of results of operations.

**Pension (and other employee benefit) Trust Funds -** These funds are used to report resources that are required to be held in trust for the members and beneficiaries of defined benefit pension plans, other postemployment benefit plans, or other employee benefit plans. Whitfield County does not currently report any fund of this type.

**Investment Trust Funds** – GAAP requires that a government report any external investment pool that it sponsors as an investment trust fund. Whitfield County does not currently report any fund of this type.

**Private-Purpose Trust Funds** – These funds account for any trust arrangement not properly reported in a pension trust fund or an investment trust fund under which principal and income benefit individuals, private organizations, or other governments. Whitfield County does not currently report any fund of this type.

(1) Under State regulations, Enterprise, Internal Service, and Fiduciary Funds do not require budgets. Thus the County has not appropriated a budget for the Trade Center, the Workers' Compensation and Health Insurance Funds, or Agency Funds. However, the County has voluntarily elected to budget for the Transit System.

## **DEPARTMENTAL/FUND RELATIONSHIPS**

The General Fund operations are accounted for through functional units which are further divided into departments. The General Fund budget is built around this framework. Listed below are the 7 main functional units and their corresponding departments. Debt Service and Other Financing uses are not included here.

## PROJECTED CHANGES IN FUND BALANCE

#### **General Fund**

|                                     | Projected   |
|-------------------------------------|-------------|
|                                     | 2015        |
| Estimated Beg Fund Balance          | 13,167,340  |
| Budgeted Net Change in Fund Balance | (2,239,154) |
| Projected Fund Balance              | 10,928,186  |

\*Fund Balance for the General Fund decreases more than 10% due to the use of fund balance to balance the 2015 budget.

#### **Non-Major Governmental Funds**

|                                     | Projected<br>2015 |
|-------------------------------------|-------------------|
| Estimated Beg Fund Balance          | 2,431,145         |
| Budgeted Net Change in Fund Balance | (913,590)         |
| Projected Fund Balance              | 1,517,555         |

\*Fund Balance for the Non-Major Governmental Funds decreases more than 10% due to the use of fund balance to balance the 2015 budget for the 911 Fund and make designated debt payments from the Debt Service Fund.

#### **Capital Projects Fund**

|                                     | Projected<br>2015 |
|-------------------------------------|-------------------|
| Estimated Beg Fund Balance          | 26,128,854        |
| Budgeted Net Change in Fund Balance | (22,628,854)      |
| Projected Fund Balance              | 3,500,000         |

\*Fund Balance for the Capital Projects Fund decreases more than 10% due to estimated completion of most scheduled SPLOST projects for the 2015 Budget. Major capital outlay projects in the future will require funding from either the General Fund or other sources until another SPLOST is passed.

## **BOARD OF ELECTIONS**

#### **Mission**

The mission of the Board of Elections is to provide an efficient means for citizens to cast a vote, to ensure an accurate list of voters, and to actively promote voter education, thus instilling confidence that public officials are properly elected.

### <u>Goals</u>

- Prepare, conduct and administer all elections in Dalton-Varnell-Cohutta-Tunnel Hill and Whitfield County
- Provide for proper maintenance and security of voting equipment
- Prepare, deliver, and oversee absentee balloting for all elections including adhering to federal and state guidelines for military and overseas voters
- Obtain, maintain and safeguard the registration of all eligible voters for all elections; to do this accurately and legally and with the least amount of inconvenience to voters; and to adequately function as a public relations and information facility at all times
- Establish and maintain precinct lines, controlling any disproportionate inequities in population to include redistricting due to representative district line shifts and the Census
- Continually evaluate and survey polling locations to ensure handicap accessibility and to try to alleviate long lines on election day by ensuring that sites are properly suited and staffed

### TAX COMMISSIONER

#### <u>Mission</u>

Our focus on being A Leader in Public Service has never been more acute. We are committed to being accountable to the citizens of Whitfield County, as well as to others for whom we provide services.

The Georgia Constitution mandates the Office of the Tax Commissioner. This office safeguards tax receipts of Whitfield County. This office complies with all Constitutional laws of Georgia pertaining to the Tax Commissioner's Office, as well as state and local legislation and regulations.

In partnership with state, county and city governments, the Whitfield County Tax Commissioner's Office is charged with the responsibility of collecting taxes, taking application of title, certificate of registration and license plates to vehicles owned and operated in Whitfield County. This office collects Title Ad Valorem Tax (TAVT) on motorized vehicles and out of state sales tax on non-motorized vehicles purchased outside the state of Georgia. It is also responsible with the duty of issuing handicapped placards and mobile home decals. Homestead and other related exemption applications are filed in this office. The Whitfield County Tax Commissioner's office will provide services that are accessible and responsive to the needs of the citizens of the great Dalton/Whitfield County area through innovation, technology and a professional workforce.

Our goal is to perform these duties efficiently, timely and to provide our citizens with above measure quality customer service. The Whitfield County Tax Commissioner's Office continually remains available and sensitive to the needs of our citizens through a professional workforce, innovation and integrating technology.

#### <u>Goals</u>

- Presence of TEAMWORK Demonstrate proactive INNOVATION
- Thrive to SERVE customers
- Establish meaningful and challenging work that matches employee skill and interest
- Provide OPEN and ETHICAL work environment
- LEAD by fact and remain conservative stewards of public resources
- Forecast FUTURE needs
- Cross-train employees to build better Customer Service and timely operations
- Hold monthly staff meeting focusing on positive impression and professional image
- Implement employee incentives to raise awareness of individual customer service abilities
- Keep monthly scorecards to promote self-development through analysis performance

#### Methodology- Vision

Issuance of motor vehicle license plate decals is handled by customer service representatives, mail or internet services. Transactions processed by customer service representatives or by the internet can be paid by credit card. Property tax payments are collected by customer service representatives, by mail or through internet services. The tax payments can be viewed in near real time by internet service at <u>www.whitfieldcountyga.com</u>.

These collections include real estate, mobile homes, personal property, TAVT, ad valorem tax on motor vehicles, tag and title fees, sales tax, insurance lapse fees, and other related duties as required.

Handle collections for all governing bodies such as the City of Dalton, Schools Systems (County and City), Whitfield County Government and the State of Georgia.

Foster teamwork ~ encourage proactive innovation ~ exist to SERVE.

Provide more than adequate places and services to allow our citizens ease in payment and collection of information; we strive to lead in Customer Service.

#### <u>Mission</u>

Article III, Section 2 of the United States Constitution creates the mission for the Superior Courts in that it establishes the power of the Judicial Branch of Government. Furthermore, the Fifth, Sixth, and Seventh Amendments to this same Constitution describe in more detail how the courts are to function in order to protect the rights of our citizens and establish the mission of the court system.

#### Amendment 5 - Trial and Punishment, Compensation for Takings

No person shall be held to answer for a capital, or otherwise infamous crime, unless on a presentment or indictment of a Grand Jury, except in cases arising in the land or naval forces, or in the Militia, when in actual service in time of War or public danger; nor shall any person be subject for the same offense to be twice put in jeopardy of life or limb; nor shall be compelled in any criminal case to be a witness against himself, nor be deprived of life, liberty, or property, without due process of law; nor shall private property be taken for public use, without just compensation.

#### Amendment 6 - Right to Speedy Trial, Confrontation of Witnesses

In all criminal prosecutions, the accused shall enjoy the right to a speedy and public trial, by an impartial jury of the State and district wherein the crime shall have been committed, which district shall have been previously ascertained by law, and to be informed of the nature and cause of the accusation; to be confronted with the witnesses against him; to have compulsory process for obtaining witnesses in his favor, and to have the Assistance of Counsel for his defense.

#### Amendment 7 - Trial by Jury in Civil Cases

In Suits at common law, where the value in controversy shall exceed twenty dollars, the right of trial by jury shall be preserved, and no fact tried by a jury, shall be otherwise re-examined in any Court of the United States, than according to the rules of the common law.

- To provide a safe and efficient experience to the citizens
- To enhance the process of the court as much as practical in order to expedite cases

### PROBATE COURT

#### **Mission**

The Probate Court is designed to provide a wide variety of services for the general public. Our major functions fall under two categories. The "Probate" or Civil Department has the responsibility of assisting in matters regarding the probate of wills and the administration of estates, guardianships and conservatorships of minors and incapacitated adults, and involuntary mental health evaluations. The issuance of firearms' permits, fireworks permits and marriage licenses' are also obtained through this department. The "Traffic" or Criminal Department is responsible for the intake, arraignment and trial of county misdemeanor traffic citations. Revenue received from probate fees or traffic fines is disbursed to various State programs and the Board of Commissioners office as provided by Georgia law.

- To have Court staff attend training on updated laws and procedures on at least a biennial basis
- To complete program for access to records from the internet through file imaging
- To maintain an office of integrity, competence and accessibility through a courteous manner and concern for the needs of the general public

### ANIMAL CONTROL

#### **Mission**

The Whitfield County Animal Shelter exists for the sole purpose of providing temporary housing for abused, loose and unattended, and owner relinquished animals. The mission of the shelter, while performing this task, is to provide a secure environment with proper care until a disposition can be determined.

#### <u>Goals</u>

- The goal of the Whitfield County Animal Shelter is to operate within the given set of budget parameters and within the laws of the State of Georgia's Department of Agriculture under whom this facility is licensed to operate.
- To work in conjunction with the Humane Society of Northwest Georgia and other Georgia Department of Agriculture "approved" Rescue Groups for the successful placement of unwanted adoptable dogs and cats.
- To provide guidance and assurance for those individuals faced with the necessity of using this facility.
- To act in the most humane manner possible while carrying out the euthanasia process when that has been determined to be the final disposition.

### EMERGENCY MANAGEMENT

#### <u>Mission</u>

Whitfield County Emergency Services strives to provide the most effective emergency communications, emergency preparedness and disaster mitigation as possible for the citizens and visitors of Whitfield County. To reach this goal, we must establish and adhere to professional standards and also attract, train, and retain the qualified employees necessary to provide this service.

- Develop and maintain Local Emergency Management programs and plans required by state and federal government
- Maintain the Emergency Operations Center (EOC)
- Provide 24-hour coordination of resources to emergencies and disasters
- Provide 24-hour coordination to multiple agencies responses
- Provide liaison with local, state, and federal authorities before, during, and after major emergencies and disasters
- Coordinate and conduct emergency management training programs
- Coordinate a minimum of one (1) training exercise annually, involving all partner agencies within the Local Emergency Operations Plan
- To prepare and promote the community's ability to prepare for and to take mitigation measures against an emergency/disaster
- Research and apply for any applicable grants to offset county costs to maintain and grow the agency

### SHERIFF'S DEPARTMENT

#### **Mission**

The mission of the Whitfield County Sheriff's Office is to affirmatively promote a feeling of safety and security to the members of our community. We do this by providing high quality police services related to the protection of life and property; by taking steps to prevent criminal activity; by detecting and investigating criminal activity; by the apprehension and incarceration of offenders and the enforcement of criminal laws; by recovering property; by providing leadership in community involvement and awareness programs; by keeping and maintaining records; by training of personnel; and by maintaining high ethical standards.

- Enhance "on the job" training for new recruits in the Detention and Patrol Divisions of the Sheriff's Office.
- Encourage teamwork, leadership, and professionalism at every level of the Sheriff's Office
- Maintain a competent staff to ensure the delivery of quality service to the citizens
- Have supervisors from the Sheriff's Office attend more management/supervisory training programs

### FAMILY SUPPORT COUNCIL

#### <u>Mission</u>

Murray/Whitfield Court Appointed Special Advocate (CASA) provides communitybased advocacy to make certain the needs of abused and neglected children are met quickly. Trained and supervised CASA volunteer advocates provide a sustained focus on the child's best interest to avoid further victimization, and to educate the community about the needs of abused and neglected children, to advocate for resources, to help the legal system be more focused: one child at a time, so the child's right to a permanent, safe home is ensured.

- Safety Goal CASA advocates make independently based recommendations, service referrals, monitoring of compliance and barrier removals for reunification efforts. Cases receive monthly advocate contact. CASA monitors indicators of improvement in school progress, educational needs, childcare adequacy, health needs, socialization skills, visitation with family including siblings. Adequacy, location, and safety of the family home are monitored. Indicators of improved family functioning typically includes: participation/completion of parent education, anger management, domestic violence treatment, substance abuse treatment and psychological evaluation and adherence to recommendations. The outcome will be reduced repeat maltreatment.
- <u>Permanency Goal</u> CASA is cognizant of the importance of the child's sense of time, and the need for stability, nurturance and consistency. To reach the goal of permanency, CASA assesses family strength and works diligently to prevent unnecessary case court delays and promotes prompt compliance with reunification goals. CASA recognizes and supports removal of barriers to reunification with the family. Barriers may include: substance abuse; domestic violence; parenting ignorance; unemployment; child behavior unmet medical, social or psychological needs; transportation; and numerous other needs. CASA strongly advocates for the placement of siblings together while in care, preferably in close proximity to family. CASA encourages consistent visitation with parents and siblings. When reunification with the family of origin is not appropriate, relative placement is the next preferred option, with adoption being third. The outcome will be permanency.

<u>Well-Being Goal</u> – To achieve the goal of child well being, CASA volunteers donate their time, expertise and energy for the wellbeing of our children. The advocates receive 40 hours of intensive advocacy training and undergo state and federal criminal background checks before they can become official advocates of the deprived children. The well-being (referred to in CASA as <u>"best interest"</u> of the child) is the primary goal of CASA training and advocacy. Family reunification is the preferred outcome for CASA advocacy with families having the capacity to provide for their children's need

#### <u>Narrative</u>

Advocacy entails the referral of appropriate community services. Support of the families in acceptance of the services and monitoring of participation and resultant outcomes of improved family functioning are key advocacy components. CASA monitors demonstration of service outcomes and reports to the juvenile court accordingly. Indicators that family reunification is successful occur when the family becomes knowledgeable about community resources and are enabled to access resources as needed. Families will show evidence of improved capacity in parenting skills, and knowledge of developmental, educational, physical and mental needs of their child prior to recommendation of reunification by a CASA Advocate.

### COUNTY EXTENSION SERVICE

#### **Mission**

The mission of the UGA Extension is to extend lifelong learning to the Whitfield County community through unbiased, research-based education in agriculture, the environment, communities, youth and families. Through the Extension office, the University of Georgia College of Agricultural and Environmental Sciences helps citizens of Whitfield County and their families become healthier, more productive, and environmentally responsible.

Extension also coordinates Georgia 4-H youth development programs in Whitfield County. The mission of Georgia 4-H is to assist youth in acquiring knowledge, developing life skills, and forming attitudes that will enable them to become self-directing, productive and contributing members of society.

- Provide, in a timely manner, accurate information to the citizens of Whitfield and neighboring counties regarding Agriculture and Natural Resources, Family and Consumer Sciences, and 4-H
- Evaluate the educational needs of Whitfield County residents and develop programs that specifically target and impact these needs
- Receive the professional and educational trainings necessary to address these determined needs
- Be a trusted source of education, innovation, and information for the county's agricultural industry and all residents in Whitfield County
- Provide education and information to promote healthy lifestyles for Whitfield County residents
- Assist Whitfield County's youth via 4-H in-school and after school programs through "hands on" learning experiences, focused on agricultural and environmental issues, agriculture awareness, leadership, communication skills, foods and nutrition, health, energy conservation, and citizenship.

#### NARRATIVE

Whitfield County Extension reaches out to the Whitfield County residents through various programs.

- Agriculture and Natural Resources programs include the Whitfield/Murray County Master Gardener monthly meetings with approximately 10 active; two Adopt-a-Stream activities – monthly monitoring at Tar Creek/AI Rollins Park and an Annual River's Alive clean up event at McClellan Creek/Civitan Park; Lakeshore Community Garden with 60 members working 76 plots as well as a gleaner's garden whose produce is donated to local food banks; an educational rain garden at AI Rollins Park; setting up water conservation or horticultural displays at various community events; collaborations with Whitfield County Schools Career Technical and Agricultural Education Advisory Board, Northwest GA Fair Board, Civitan Club, Dalton Tree Board, Keep Dalton/Whitfield Beautiful, Whitfield County Saddle Club, Northwest Georgia Cattleman's Association and local garden clubs.
- Family and Consumer Science program priorities in Whitfield County are focused on offering Expanded Food and Nutrition Education Program (EFNEP). Program objectives of Whitfield County EFNEP program includes improving the diet and health of the family, improve practices in food safety, and increase family ability to manage funds that are associated with food. The method with which we reach families is by using Food Talk. Food Talk is an adult-based learning curriculum that addresses ways to eat healthier meals while being mindful of family time and money limitations. Whitfield County Extension promotes Walk Georgia, a statewide Extension program, every spring and fall. This program encourages exercise to help reduce risks of obesity and chronic diseases such as diabetes and cancer.
- Whitfield County 4-H programs bring Georgia 4-H curricula to the Whitfield County and Dalton Public schools. Georgia 4-H is a partner in public education and strives to incorporate Common Core Georgia Performance Standards in the educational materials produced for in- school use. "Agriscience", "Your Money, Your Future", "Relationship Smarts", "Health Rocks!" and "Project Citizen" are examples of 4-H curricula bringing experiential learning opportunities to the classroom. Over 1,200 youth participate annually in Whitfield County 4-H programs. Various after- school programs involve teen leadership training, 4-H summer camps, 4-H local summer day camps, community service learning opportunities, County and Northwest District Project Achievement competitions, 4-H State Council, Junior and Senior Conferences, Fall Forum, District Consumer and Forestry Judging competitions, Health Rocks! Action Leader trainings, and the 4-H Ambassador programs. Monthly Service Leadership Activities Members meetings are held for 6<sup>th</sup> – 12<sup>th</sup> graders.

## County Extension Service

### **COUNTY ENGINEER**

#### **Mission**

The mission of the Whitfield County Engineer's Office is to provide prompt, courteous service to the public, while fulfilling our obligations set forth by the Laws of the State of Georgia in the most efficient and cost effective manner possible. The County Engineer's Office also pledges to be fiscally responsible and accountable to the public for projects completed and dollars expended.

- To provide the citizens of Whitfield County safe roads by which to travel
- To provide the building community an efficient and helpful plan review process
- To comply with the environmental laws and codes of Whitfield County, the State of Georgia, and the United States
- To cross-train employees to maximize their growth and the efficiency of the engineering department
- To enforce the County's Storm Water Ordinance consistently

# **County Engineer**

### **INSPECTIONS & ENFORCEMENT**

#### <u>Mission</u>

The Inspections and Enforcement division of the Whitfield Engineering Department is responsible for the administration and enforcement of the Georgia minimum standard technical codes for construction and the enforcement of the City of Dalton and Whitfield County ordinances for building, zoning and property maintenance to ensure the health, safety and welfare of the general public.

#### <u>Goals</u>

- To develop and retain a highly trained and qualified staff of certified professional inspectors. All inspectors will cross train to competently perform all inspections for a single structure providing better personal service than a succession of different inspectors.
- To provide quality customer service through prompt, courteous, knowledgeable responses to citizen inquires and efficient processing of applications for permits and plan reviews.
- To promptly investigate complaints of violations of Whitfield County and City of Dalton zoning regulations and the adopted property maintenance codes and to initiate actions to abate such violations.
- To save time and conserve fuel by combining inspections where possible to reduce the number of driving trips to construction projects, planning the most efficient inspection routes reducing back tracking, and dividing inspections by areas to limit driving time between inspections and prevent overlapping inspection routes.
- To train all staff to be proficient in the use of permitting software.

#### **Narrative**

The Inspections and Enforcement office will maintain a relatively small staff of inspector/code enforcement personnel cross-trained in all code areas including construction, zoning enforcement, housing and property maintenance. This will allow greater flexibility in assigning work to the inspectors and empower them to resolve all code issues without referring identified violations to others.

Fuel and vehicle maintenance cost will be reduced by planning more efficient inspections and inspection routes requiring fewer driving miles. This should also allow inspectors more time in the office for training, entering inspection information and returning calls and emails.

### DALTON/WHITFIELD METROPOLITAN PLANNING ORGANIZATION (MPO)

#### <u>Mission</u>

The overall mission of the MPO is to maintain a continuing, comprehensive, and cooperative planning process. Led by two MPO committees, the process is designed to encourage involvement by all interested groups, such as the business community, neighborhood associations, environmental organizations, social service agencies, educational institutions, and the general public. The MPO in coordination with local governments, local transportation agencies, Georgia Department of Transportation, and Federal Highway and Transit Administration conduct the transportation planning process.

- **Establish a setting:** Establish and manage a fair and impartial setting for effective regional decision making in the metropolitan area.
- **Evaluate alternatives:** Evaluate transportation alternatives in context with the geography, the nature of existing transportation issues, and the available options. Evaluation of alternative is included in various planning activities that are outlined in the Unified Planning Work Program (UPWP).
- **Develop a Unified Planning Work Program (UPWP):** Develop an annual work program that outlines the transportation planning activities to be performed by the MPO staff and other agencies.
- Maintain a Long Range Transportation Plan (LRTP): Develop and update a longrange transportation plan for the Dalton/Whitfield County Urban Area covering a planning horizon of at least twenty years that promotes (1) mobility, access and safety for people and goods, (2) efficient transportation system performance and preservation, and (3) quality of life.
- **Develop a Transportation Improvement Program (TIP):** Develop a program based on the long-range transportation plan and designed to serve Dalton and Whitfield County's goals, using expenditure, regulations, operating, management, and financial tools.
- **Involve the Public:** With the aid of the MPO Citizens Advisory Committee, involve the general public and significantly affected sub-groups in the five functions listed above.

# **COMMUNITY DEVELOPMENT CORPORATION (CDC)**

#### <u>Mission</u>

The Dalton-Whitfield Community Development Corporation is a HUD certified agency. The mission of the Community Development Corporation is to facilitate the ability of all Dalton and Whitfield County residents to acquire and maintain safe and decent housing.

#### <u>Goals</u>

The overall goal of the Dalton-Whitfield CDC is to improve the quality of life for citizens as a result of increased and better housing options.

Annual goals are determined and prioritized utilizing Housing Needs Assessments data and of existing housing trends incorporated into the realities of the local housing market. Based on the fact that economically Whitfield County is still considered in crisis and the housing market is very volatile even now the top five 2015 goals are:

- to decrease the number of foreclosed properties
- to decrease the number of homeless and unstably housed residents
- to improve the physical condition of substandard housing both for purchase and rental
- to supply available tools and resources to all residents in order for them to maximize and protect the value of their property
- to provide the education necessary to previous homeowners who lost homes to foreclosure in order to re-establish homeownership

The existing programs utilized to accomplish the aforementioned mission statement and to attain goals as determined by the DWCDC all come under housing service delivery categories as defined by and reported to HUD. These include:

- Pre and Post Purchase Education/Group Workshops
- Pre-Purchase Housing Counseling
- Foreclosure Prevention Counseling
- Homeowner Services
- Securing or Maintaining Rental Housing
- Seeking Shelter or Homeless Services
- > Administration, Fair Housing or Special Projects

# 911 Emergency System

# SUPERIOR COURT Conasauga Alternative Dispute Resolution Program (ADR)

#### **Mission**

The Alternative Dispute Resolution or "ADR" Program provides a means for civil and domestic cases to be settled which can many times be faster and less costly than the use of traditional court proceedings such as hearings and trials. The most common form of ADR used in this program is "Mediation", in which a neutral third party called a mediator meets confidentially with the parties, and sometimes their attorneys to help them find common grounds of understanding which may lead to an acceptable solution to their dispute. When mediation is successful, since the parties have participated in the settlement of their case they will usually be more satisfied with the outcome and therefore less likely to need future court services. However, if an agreement cannot be reached through mediation the case will continue on through the normal court process. Cases are referred to the ADR Program by the judge assigned to the case and any party or their attorney may request that the judge make a referral. In most cases ADR Program services are free of charge to the parties. (Local Court ADR Rules)

### SUPERIOR COURT Divorce Seminar

#### **Mission**

The Divorce Seminar is a four-hour educational program designed to assist parents by offering time-proven information on ways they may effectively help their children cope with divorce or other family discord. The parties in all domestic cases involving minor children must attend the seminar before their cases can be finalized. The seminar is offered each month in Murray and Whitfield counties at a session on a Thursday morning in Dalton; a session on a Saturday morning in Chatsworth; and two, two-hour evening sessions in Dalton. Pre-registration at the Superior Court Clerk's Office in either Murray or Whitfield County is required before the seminar can be attended. Registration by telephone or at a seminar session is not allowed. There is a \$30 per person fee charged to offset the expenses of the program. However, anyone who cannot afford to pay the fee may file a written application for fee waiver in the Court Administrator's office 8:30 a.m. to 4:30 p.m., Monday through Friday. The office is located on the second floor of the Whitfield County Courthouse.

### FIRE DISTRICT

#### **History**

In 2012 Whitfield County created a special tax district to include all areas of Whitfield County outside the municipal limits of the City of Dalton for the purpose of providing adequate and equitable funding for the Whitfield County Fire Department.

#### <u>Mission</u>

The Fire Department's mission is to serve our citizens with a combination of modern fire suppression, fire prevention and public safety education methods to reduce the loss of lives and property.

#### <u>Goals</u>

- Add a minimum of 20 additional full-time personnel, to allow a minimum of 2 personnel at each station 24/7, as allowed by budget. Reassign one staff member to focus on prevention and safety of community members.
- Continue to make improvements & additions to the Training Center. Examples:
  - Bathroom facilities
  - LP Gas fire simulators
  - Area for extrication training
  - Dedicated classroom space
  - o Improvements to the burn building to meet ISO requirements
- Develop a replacement schedule for capital and recurring expense items to include:
  - Apparatus and command vehicles
  - Personal protective equipment
  - Breathing Apparatus
  - Station furnishings
  - o 11 Facilities
- Construction of 1 Fire Station: Facility will be located in the Northwest section of the county and improve the ISO rating in that area.
- Acquire a 100' aerial platform to assist with fire ground efficiency and safety. In addition this apparatus will positively impact our ISO rating.
- Maintain a modern and effective training program through up-to-date training manuals, training software & hardware. Explore and implement an on-line training program as a mechanism to reduce expenditures.
- Review and update departmental policies/SOG's to ensure employee safety and accountability.
- Fiscal responsibility with funds provided by the citizens.

### JOINTLY FUNDED DISTRICT

#### **History**

In 2012 the Whitfield County Board of Commissioners created a special tax district to include all areas of Whitfield County outside the municipal limits of the City of Dalton for the purpose of providing adequate and equitable funding of certain jointly funded services between Whitfield County and the City of Dalton for the benefit of all such areas. Such jointly funded services shall include Whitfield County's contribution toward the Dalton-Whitfield County Joint Development Authority (JDA), the Dalton Regional Library, and the Dalton-Whitfield Senior Center.

### DALTON/WHITFIELD JOINT DEVELOPMENT AUTHORITY (JDA) "Grow Greater Dalton"

#### **Mission**

To facilitate the long-term, positive economic growth of the community by attracting/retaining jobs, diverse investments and growing the tax base.

#### <u>Goals</u>

Strategic Goal: Recruit 250 new primary jobs and seek \$62.5 million in new investment.

How we will get this done:

Identify, target and recruit "target industries":

- Plastics and Chemical
- Advanced Manufacturing
- o Datacenters
- Automotive Suppliers
- o Targeted retail
- o Distribution
- Food Processing
- Renewable Energy

Employ Accelerated Marketing Techniques:

- Market Dalton and Whitfield County to regional, national and international audiences of best-fit industries, companies, influencers, and decision makers
- Promote Dalton-Whitfield to Atlanta economic development partners and global site location consultants, participate in applicable trade shows.
- Pursue new manufacturing leads from existing industries based on supplier needs

Collaborate with existing business and industry to:

- Ensure all available local, federal and state assistance resources are offered to existing manufacturers
- Continue partnership with Dalton State College on Existing Industry/Manufacturing Appreciation Event

- Continue to grow and facilitate Rapid Response Team
- Provide services through the Greater Dalton Small Business Network to small business, entrepreneurs and innovators
- Conduct segmented business networking to ensure community is providing a business climate that fosters job growth and investment in Dalton-Whitfield County
- Implement formal business calling program to make 40-60 visits per year with existing employers
- o Assist with local expansion efforts creating new jobs and investment
- Actively promote the development and redevelopment of properties suited for high-end, mixed-use residential/commercial/industrial growth
- Create and implement plan for the use of Tax Allocation Districts (TAD) as a mean to create jobs and redevelop commercial corridors
- Promote regional cooperation to achieve jobs and capital investment goals.

<u>Ensure</u> long-term competitiveness to attract new companies and grow existing companies by actively promoting the identification and studying the feasibility of all available properties for business and industrial development including:

- Unused industrial and commercial facilities available for re-use (Brownfield Sites),
- Acreage presently used in agriculture or forestland, or other undeveloped sites earmarked for commercial development or industrial projects (Greenfield Sites),
- Exploration and implementation of "mega site" program to ensure areas long-term ability to compete and add jobs by attracting "target industry".

# DALTON REGIONAL LIBRARY

#### <u>Vision</u>

The Dalton-Whitfield County Public Library (DWPL) strives to anticipate and meet the needs and wants of its citizens by providing excellent service and materials within the budget available to the library program.

#### <u>Mission</u>

The Dalton-Whitfield County Public Library will provide a well-selected, organized collection of print, non-print and electronic materials, and special programming to meet the informational, educational, recreational, and cultural needs of a growing, diverse community, with emphasis placed on the chosen roles of the library system.

#### <u>Goals</u>

- CHILDREN'S DOOR TO LEARNING: The children in the area served by DWPL, as well as their parents or guardians, will have access to the materials and programs necessary to provide a foundation for lifelong learning.
- REFERENCE, SPECIAL COLLECTIONS AND GENEALOGY: The citizens of Dalton and Whitfield County will have access to the materials and services necessary to meet their informational and reference needs.
- LIFELONG INDEPENDENT LEARNING LIBRARY: The citizens served by DWPL will have access to materials, services and programs to promote lifelong learning and self-directed personal growth.
- POPULAR MATERIALS LIBRARY: The DWPL will provide current books and materials in various formats to meet the popular fiction and non-fiction needs of the service area.

### <u>Narrative</u>

The library staff and board have identified issues that must be addressed if the library is to fulfill its vision. Issues addressed are: Technology, Staffing, Facilities, and Cost Containment. Detailed goals and objectives are available, but below is a summary.

- Technology: The DWPL will maintain current equipment, and provide for future technology and education of staff.
- Staff: The DWPL will provide staff to meet goals and objectives and work toward meeting state minimum staffing standards.
- Facilities: DWPL will work to meet the state standard of .6 square feet of library space per capita, as well as maintain the library infrastructure/physical plant(s).
- Cost Containment Measures: There are a number of reductions that have already been made here, and others which we have planned. A few of these are noted below:
  - We have moved from 18 full-time staff positions to 13, and we have moved from 4 part-time positions to 6. The Library monitors our staff needs and streamlines our service delivery in order to provide the best public library resources and services to all Dalton County citizens.
  - During the past fiscal year, the Library devoted attention to expanded programming for the public while combining the duties and responsibilities of our staff members. For example, we are currently combining two positions in the Children's department, with the retirement of the Children's librarian. That position will now be taken by the current Young Adult librarian who will carry out all supervisory duties for the Department. This saves the Library approximately \$30,000 annually. The Library will conduct such cost-saving measures on an ongoing basis in all areas of service.
  - In all areas of operation, the Library seeks to eliminate unnecessary expenditures. We have reduced staff travel to a minimum. We limit the use of private automobiles when possible (often, staff members donate the cost of trips, both in the area and around the state). Utilities are monitored to conserve costs.

# **SENIOR CENTER**

#### **Mission**

The purpose of the Dalton Whitfield Senior Center is to provide programming and recreation for the senior population, to enhance health and well-being through a variety of activities, and to help senior adults maintain an active and productive lifestyle while serving our community.

#### <u>Goals</u>

- To continue to provide quality programs and service to the 50+ population of the community.
- Research the needs of the seniors and implement programs to fulfill them.
- Maintain our relationships with other agencies in the community to assure that we are providing services that are not duplicated.
- Continue to increase programming and develop new ideas to enhance the programs we provide.
- Keep our current staff trained in 1<sup>st</sup> aid and CPR
- Work with the newspaper to see that our programs and activities are well documented and know that seniors are aware of up-coming events.
- To prepare a balanced lunch meal, but staying within the budgeted amount of money collected each month.
- Develop programs to attract the baby boomer generation.
- Provide adequate trips at various prices, to include all seniors that are interested in travel.

# SOLID WASTE DISTRICT

#### <u>History</u>

In 2012 the Whitfield County Board of Commissioners created a special tax district to include all areas of Whitfield County outside the municipal limits of the City of Dalton for the purpose of providing adequate and equitable funding of solid waste services within such areas.

#### <u>Mission</u>

The Dalton-Whitfield Regional Solid Waste Management Authority's mission is to provide a public service that protects human health and environment and economically manages solid waste for the citizens of Whitfield County and the City of Dalton.

#### <u>Goals</u>

- Maintain a constant annual disposal tonnage over the planning period despite an increase in population and industrial activity
- Provide consistent and universal access to collection services for solid waste to all citizens in Whitfield County
- Ensure that solid waste handling facilities have capacity to handle all solid waste generated in the County, do not negatively impact the natural environment or public health, and are consistent with the Solid Waste Management Plan
- Ensure that proposed solid waste handling facilities and expansions are consistent with environmental requirements, local land use plans, and the Solid Waste Management Plan
- Ensure that all citizens of Whitfield County have access to information about waste reduction and solid waste management

#### **Narrative**

The Authority operates as an Enterprise Fund, supported mainly by user fees. All user fees are retained and dedicated to the operation, future development, closure, and post closure activities. Revenues are also generated through the sales of recyclables, wetland and stream mitigation credits, landfill gas, and greenhouse gas credits. These additional revenue streams help to diversify the sources of revenue and help to minimize the impact of the current economic situation. In light of current economic conditions the Authority carefully reviews and adjusts its operations and expenditures to reflect lower operating revenues.

### CAPITAL PROJECTS FUNDS

The Capital Projects Funds include the Special Purpose Local Option Sales Tax (SPLOST) Fund and the Capital Acquisitions Fund.

The SPLOST Fund is used to account for the acquisition and construction of major capital assets. Revenues are derived primarily form the special purpose local option sales taxes and earning on investments.

The Capital Acquisitions Fund is used to account for the acquisition of capital expenditures. Revenues are derived from the financing resources transferred from the General Fund and loans issued.

### DEBT SERVICE FUND

The Debt Service Fund is used to account for the accumulation of resources for the payment of general obligation long-term debt principal and interest.

In 1998, the County entered into a Utility Service Agreement with Dalton Utilities for the construction of water lines in the West side area of the County. In 2003, another agreement was entered into for the construction of water lines in the North side area. The construction of the final phase of the water line projects was complete in 2007. Dalton Utilities funded the costs of the construction with the County guaranteeing the payment of interest on the outstanding debt. The total original debt was \$9,742,966. The funds to satisfy the entire debt service for all future payments have been reserved and will be paid out of the debt service fund.

In 2013, the JDA issued \$7,185,000 of revenue bonds for a Public Infrastructure Project consisting of public infrastructure including the extension of public water, sewer, and gas lines. The funds to satisfy annual debt service on the 2013 bond issuance will be placed in the debt service fund each year.

### ENTERPRISE FUNDS

Enterprise Funds are used to account for operations that are financed and operated in a manner similar to a private business enterprise – where the intent of the County is (a) that the costs of providing the goods or services to the general public on a continuous basis be financed or recovered primarily through user charges; or (b) where the County has decided that periodic determination of net income is appropriate for accountability purposes. The County maintains the following enterprise funds:

- Whitfield County Transit System This fund accounts for the operations of the County's rural transit service operated under Section 18 of the Federal Transit Act of 1964. This program provides the public with non-medical bus service, both ambulatory & wheel chair, for all residents of Whitfield County.
- Northwest Georgia Trade & Convention Center The County shares with the City of Dalton in maintaining a regional trade and convention center. The Trade Center has 2 exhibit halls, 9 meeting rooms, a 230 seat lecture hall and an executive board room. It can handle 15 person meetings up to a 1500 person convention. The County supplements the Trade Center operational revenue as needed through transfers from the General Fund and the Hotel/Motel Tax Special Revenue Fund.

Enterprise funds do not require budgets under state regulations. Whitfield County has voluntarily chosen to budget for the Whitfield County Transit System.

# TRANSIT SYSTEM

#### <u>Mission</u>

The mission of the Transit System is to provide our customers access to all regions of Whitfield County by providing a quality, dependable, safe, accessible, and affordable transit service, thereby enhancing the mobility of the general public as well as the disadvantaged.

### <u>Goals</u>

- To foster and maintain an effective and efficient network of transportation services available to the public.
- To extend our services throughout the county by advertising and outreach to ensure that persons needing the service are aware and are able to use the service.
- To implement service expansions or improvements as may be recommended or as may be agreed upon between our regional contractors and subcontractors.
- To cross train employees in order to provide additional backup in areas where needed and in order to maintain quality service to our customers.

## INTERNAL SERVICE FUNDS

Internal Service Funds are used to account for the financing of goods and services provided by one department or agency to other departments of the County on a cost reimbursement basis. The County maintains the following internal service funds:

- Workers' Compensation Fund This fund accounts for the County's workers' compensation expenses. The County's workers' compensation costs are paid on a fully funded basis. In other words, the County pays for all actual claims and expenses of the program and maintains a type of stop loss policy which limits the County's liability for catastrophic claims.
- Health Insurance Fund This fund accounts for the County's health insurance expenses. The County's health insurance costs are paid on a fully funded basis. In other words, the County pays for all actual claims and expenses of the program and maintains a stop loss policy which limits the County's liability for catastrophic claims.

Internal service funds do not require budgets under state regulations.

## **CAPITAL FUND NARRATIVE**

The FY 2015 Budget includes a <u>FIVE-YEAR</u> plan for capital expenditures. Capital Projects for FY14 that haven't been completed have been continued into FY15. This Capital Expenditures Plan is designed to allow the County to plan for and fund future capital needs. However, the effect of falling revenues has prevented the reservation for future expenditures and has resulted in much of the planned spending for FY15 to be deferred. Whitfield County voters passed a \$48 million dollar SPLOST in 2008 for the main purpose of financing capital outlay projects involving roads, streets, and bridges. The County has completed collections on this three year SPLOST.

Whitfield County has not had a SPLOST in place since December 31, 2010. With the absence of a current SPLOST, funding for future capital outlay projects must come from the general fund. Many of the funding for future capital outlay projects listed on the Capital Spreadsheet will depend on the passage of a 2015 SPLOST referendum that will be presented to the voters on March 17, 2015. The 2015 four year SPLOST, if passed, would raise an estimated \$64 million dollars and would finance many crucial capital needs for the County to include a new public safety communication system, a new fire station, new public safety equipment, road improvements, and recreation improvements.

This Narrative is keyed to the Capital Spreadsheet in the next section. If more information is needed about a specific project or proposal, please send your questions to the County Administrator.

## **Building & Grounds**

- <u>Building Infrastructure Upgrades.</u> The County has an inventory of 47± buildings. It is important to have a continuing maintenance program to repair or replace essential equipment such as heating and air conditioning, roof treatments and other upkeep work. The reinvestment program will fund the work. (2016 – 2019)
- 2. <u>Eastbrook Gym.</u> Replace Roof. This is a carryover from FY14. (2015)
- Administration Building #1 & #2, Renovation. Admin. Building #2 was acquired for slightly more than the land cost. The building needs significant upgrades to weatherize the structure, make it handicapped accessible, redo bathrooms and plumbing, elevators, energy efficient lighting, etc. Admin. Building #1 is also in need of significant upgrades. (2016 – 2017)

The County conducted a study at the end of 2008 which determined that it would be more cost effective to replace Building #2 with a structure that utilizes all the land area and consolidating offices currently in Administration Building #1 and services such as Building & Zoning. This would also significantly increase the available square footage. The consolidation would also help in creating a "ONE STOP SHOP" for permitting. Part of the project funding could come from the sale of the vacated buildings and properties. **Due to the economy, action on a new administration building and consolidation of offices has been pushed beyond the 5-year window.** 

- 4. <u>Remodel Old Section of Main Courthouse.</u> The carpet & tile in halls and lobbies of the older section of the main courthouse will be replaced. (2016)
- 5. <u>Praters Mill.</u> Extend sewer system for north side of Hwy. (2015). Install restroom (2016).

## Courthouse Security Improvements

Various improvements are needed around the area of the Courthouse in order to enhance security and safety efforts.

- 1. Vehicle Denial Barriers. (2015)
- 2. Security Gate System. (2015)
- 3. Additional Lighting. (2015)

## **Detention Facility Expansion**

- 1. Improvements to Existing Facility. Ironwork improvements. (2015)
- <u>Detention Facility Expansion</u>. It is difficult to predict when it will be necessary to add space for the Detention Facility and also difficult to know the type of facility needed. Perhaps the expansion will be a dormitory for work release inmates, open-bay confinement areas or the more traditional design currently being used. The project is added as a financial placeholder. (2019)

## **Emergency Communications—E911 & Emergency Management**

In order to provide the best possible service to County residents, the various emergency hardware and software systems should be updated and upgraded on an ongoing basis. The County invested in a CAD (Computer Aided Dispatch) hardware and software system upgrade in 2013 and 2014. Future plans call for additional updates and upgrades to systems as noted below. Future projects also include outfitting a Back-up Center in case the current 911 Center should be rendered unusable due to a natural disaster, current building expansion, and a new public communications system.

The County's current public safety communications system depends on outdated technology that was placed in service in the 1970's. The current system is expensive to maintain and cannot be easily repaired. Buildings used to house communications equipment and radio towers do not meet industry standards. Numerous dead zones throughout the county sometimes make it impossible for public safety officials to communicate back to headquarters or with each other on the scene, leaving them vulnerable in case of an emergency.

The solution to this problem is to join with other counties in a cooperative communications effort through the Tennessee Valley Regional Communications System (TVRCS) at less than half the cost of building a system from scratch that would serve only Whitfield County. Regional efforts would cut costs and TVRCS provides regular maintenance and upgrades to equipment within the system. TVRCS provides towers, maintenance buildings, and equipment that meet the much stricter standards of industry today. This new system would provide radio coverage for public safety workers in an estimated 93.6% of Whitfield County, up from an estimated 20% - 46% currently.

The cost of the new system is an estimated \$12 million dollars and funding would be provided from the new 2015 SPLOST if passed.

- 2. <u>911 Back-up Center Equipment</u>. (2017)
- 3. <u>911 VOIP Phone System.</u> (2018)
- 4. <u>911 Dispatch Updates-CAD/Computers/Furnishings.</u> (2018)
- 5. 911 Center Building Expansion. (2019)
- 6. Parking Lot Repairs. (2019)
- 7. Mobile CAD System. (2019)
- 8. <u>4-Wheel drive SUV. (</u>2015)

## Fire Department

The most recent ISO Rating for Whitfield County pointed to several fire service improvements. At the north end of the county, there are areas more than five miles from a station. By building a station at the north end, the ISO rating for structures will change from Class 9 to 5. This lower rating will result in much lower insurance premiums for homeowners and commercial establishments. In addition, there are a few new subdivisions at the north end that will increase demand for service.

- 1. <u>Fire Station #11.</u> New station. (2016)
- 2. Fire Station #12. New station. (2018)
- 3. Fire Station Headquarters. New HQ building and combined station. (2019)
- 4. <u>Fire Station Remodeling.</u> Remodeling for 7-8 stations. (2019)
- 5. <u>Burn Building and Training Tower.</u> Update the Burn Building to meet new ISO standards. (2015). New props and renovations are needed for the Training Tower (2017).
- 6. Operations Command Vehicle. (2015)

7. <u>Fire Truck Replacement Program.</u> In recent years, the County has been without a regular schedule to replace fire equipment, pumpers and other response units. The replacement schedule proposes to replace one unit each year (2016-2019). In addition, the Fire Department has identified the need for 2 ladder trucks: the 1<sup>st</sup> to support the new county high school (2015) and the 2<sup>nd</sup> to support the Carbondale Business Park (2017).

## Green Space, Historic Preservation & Conservation Easements

According to the U.S. Park Service, Whitfield County has the largest intact collection of Civil War defenses in the nation. The Whitfield County Commission has a strong interest in protecting these sites in addition to protecting its natural resources and undeveloped areas. Working with the Historic Preservation Commissions, Civil War Commission, Civil War Preservation Trust, the Georgia Battlefields Association, the Civil War Round Table and other groups, Whitfield County plans to continue its efforts at preservation and improvement of sites by acquiring more land, establishing and improving trailheads in addition to funding interpretative sites. (2017)

## Information Technology (IT)

In past years, the funding of an IT Strategy has fallen behind the investments in public safety and the judicial system. To provide the best support for public safety, the judicial system and other aspects of county government, a strong IT investment strategy is essential.

The value of the IT inventory is \$2.674M. Because of constant improvements in "operating systems" and software programs, computers need increased processing and storage power. Beyond the specific items discussed below, each year it is important to have a program to replace aging hardware and software computer systems.

- 1. <u>Financial Software.</u> The Finance Department will complete the purchase and implementation of the new financial software system and document storage system begun in FY14. (2015)
- 2. <u>Document Management Software-DA's Office.</u> This will allow the DA's Office to scan and store digital versions of their case files for archive purposes and also will allow for more efficient access to the information. (2015)
- 3. <u>Computers/Virtual Desktops/Equipment Updates.</u> (2015-2019)
- 4. Data Recovery Site-Equipment and Electrical. (2015)
- 5. <u>Security Proximity Card Readers.</u> This will replace bar code readers with proximity, increasing security and requiring less maintenance. (2015)
- 6. Server Migration for Sheriff's Office. (2015)
- 7. <u>Network Fax.</u> This will eliminate hardware and reduce paper and toner costs. (2016)
- 8. <u>Audio/Video Replacement in BOC Meeting Room</u>. (2016)
- 9. Sound/Security System for Courts. (2016-2018)
- 10. Network Switches. (2016)
- 11. Upgrade Storage/Servers/Backup System. (2017)
- 12. Update GIS Aerial Photography. (2018)

## <u>Parks</u>

The County has a relatively small inventory of parklands available for public use. With an expanding population and more demands for recreation, the Commissioners have an interest in increasing the investment in park assets.

- 1. Edwards Park.
  - a. Football field and tennis court lighting. (2015)
  - b. Gymnasium/community building/restrooms. (2016-2017)
- 2. <u>Recreation Office Gym Remodeling.</u> Resurface gym floor. (2015)
- 3. <u>Acquire New Park Lands.</u> There aren't sufficient parklands available to meet current and future needs. Certain areas of the County have very few park assets. This financial plan will provide funding for the acquisition of additional property,

facilitate the design and engineering work required to construct facilities, and appropriate monies to build the infrastructure. (2016)

4. <u>Westside Park.</u> The County purchased 98 acres of property for a new site in 2010 that is much better suited for park use and allows for more features including a completed Miracle Field. Accordingly, the old site is being closed out. The Miracle Field was partially funded by donations through a fund setup with the Community Foundation. Phase I of the Westside Park Project was completed in 2012. Phase II was completed in 2014. Construction for Phase III and Phase IV is scheduled for 2019.

## Public Works

- 1. <u>Economic Development Projects.</u> Capital project in the County consisting of public infrastructure including the extension of public water, sewer, and gas lines. (2015)
- <u>Road Projects.</u> Repave Yeager Drive, stripe the left and right turn lanes off Yeager Drive and extend the deceleration lane from the Pilot gas station to Yeager Drive. (2015)
- 3. <u>Road Projects.</u> Road, bridge, and culvert improvements, paving and patching. At the State and local level, road projects have been under-funded for many years. More monies need to be earmarked for road maintenance and improvements. Without regular maintenance, the road system will get more costly to repair and resurface. If the 2015 SPLOST is passed, more investment is programmed into the maintenance, upgrade and repair of roads. In the absence of SPLOST funds road maintenance and repairs will prove challenging to fund in upcoming years. The budget plan for FY15 is to take advantage of the LMIG Program though it has been greatly reduced by the state. Funding for general paving and resurfacing was removed from the General Fund budget for FY15. (2015-2019)
- 4. Guard Rails, Ancillary Work. (2015)
- 5. <u>Road Equipment Replacement.</u> Much of the public works equipment is aging and will need to be replaced. An alternative study is underway to evaluate the use of leased equipment in lieu of replacement at least for some of the equipment inventory. (2015 2019)

## Sheriff's Office

The Inmate Work Crew from the Detention Facility currently mows and maintains several county areas. This helps reduce County personnel costs. This program is in need of a few capital improvements. The large mower purchased in 1997 needs to be replaced as it is now in need of costly repairs. Also, equipment used by the crew is being stored in off-site facilities. It would be beneficial to have a metal fabricated storage building at the Detention Center complex.

- 1. <u>Mower for Inmate Crew.</u> (2015)
- 2. Storage Building for Inmate Crew Equipment. (2015)

The Patrol Division has researched the purchase of a camera/tag reader. This technology will increase officer efficiency and safety.

3. <u>Camera/Tag Reader</u>. (2015)

### Vehicle & Motorized Equipment Replacement Program

The County has an extremely large fleet of vehicles in its public safety, judicial, public works and administrative departments. There has not been a program to regularly replace high mileage and high operating-hour equipment. The result has been a considerable amount of expensive and unscheduled engine replacements, problems with structural integrity, drive system repairs, etc. It is important to set aside monies to fund a regular replacement program, with priorities given to high mileage, operational inefficiency and repair costs. The FY15 budget includes \$264,060 for vehicle replacement and \$122,916 in capital lease payments for various large equipment for Public Works and Parks & Recreation. For years 2016-2019, funding is also planned for this program.

## Transportation SPLOST

In 2008, a tax referendum for transportation (SPLOST) was passed to fund road projects in excess of \$45M. The projects will improve traffic safety and congestion in the towns and unincorporated areas. The SPLOST collections ended in December 2010. Several projects are still under construction and are planned to be completed in 2015.

## **Governmental Activity Long-Term Debt**

#### Intergovernmental Liability:

In 1998, the County entered into a Utility Service Agreement with Dalton Utilities for the construction of water lines in the west side area of the County. In 2003, another agreement was entered into for the construction of water lines in the north side area. The construction of the final phase of the water line projects was completed in 2007. Dalton Utilities funded the costs of the construction with the County guarantying the payment of interest on the outstanding debt. The total original debt was \$9,742,966. The funds to satisfy the entire debt service for all future payments have been reserved and will be paid out of the Debt Service Fund. The annual payments of the intergovernmental liability as of December 31, 2014, are as follows:

#### Bonds:

The County has four Revenue Bond Series, issued through the Dalton-Whitfield Joint Development Authority, which are backed by a pledge of up to 1 Mill of property tax proceeds. The debt service on these four bonds is budgeted in the General Fund, Debt Service line.

#### Series 2009:

In 2009, the County issued \$3,625,000 of revenue bonds through the Dalton-Whitfield Joint Development Authority. The proceeds were used for the acquisition and development of land for Commerce Park I, which became the site for a \$71,000,000 plant constructed by IVC, USA, and for a sewer line to the Tunnel Hill interstate exit. #### Series 2010A & 2010B:

As Commerce Park I was fully utilized by the IVC project, the County needed additional land to allow the Joint Development Agency (JDA) to continue to recruit new businesses to the County. In 2010, the County was able to purchase land adjacent to I-75 at the Carbondale exit which was named the Carbondale Business Park.

The roads, entrances, and development are all for public purposes and were issued under a non-taxable bond issue (Series 2010A) for 10 years.

Any new business that is recruited into the Carbondale Business Park will purchase the land used for their site. Since this land will not be used for a public purpose but for private development, the land designed for resale had to be issued under a taxable bond issue (Series 2010B) for 15 years. As parcels of land are sold, that portion of these bonds will be retired.

Series 2010A bonds were issued in the amount of \$3,775,000 and Series 2010B bonds were issued as taxable bonds in the amount of \$6,075,000.

This term applies to Enterprise Funds.

FIDUCIARY FUND. Any fund held by a governmental unit as an agent or trustee.

**FISCAL YEAR.** A 12-month period of time to which the annual budget applies and at the end of which a governmental unit determines its financial position and the results of its operations. Whitfield County's fiscal year is a calendar year of January 1 to December 31.

**FRINGE BENEFITS.** Employer share of FICA taxes, health insurance, life insurance, workers' compensation, unemployment taxes, and retirement contributions made on behalf of the County's employees.

**FULL-TIME POSITION.** A position which qualifies for full County benefits, usually required to work over 30 hours per week.

**FUND.** A fiscal and accounting entity with a self-balancing set of accounts recording cash and other financial resources, together with all related liabilities and residual equities, or balances and changes therein, which are segregated for the purpose of carrying on specific activities or attaining certain objectives in accordance with special regulations, restrictions, or limitations.

**FUND ACCOUNTING.** A method of accounting where resources are allocated to and accounted for in separate funds based upon the purposes for which they are to be spent and the means by which spending activities are controlled.

FUND BALANCE. Fund equity (excess of assets over liabilities) available for appropriation.

**FUND EQUITY.** The excess of assets over liabilities. A portion of the equity may be reserved or designated; the remainder is Fund Balance.

**GAAP.** Generally Accepted Accounting Principles as determined through common practice or as promulgated by the Governmental Accounting Standards Board, Financial Accounting Standards Board, or various other accounting standards setting bodies.

**GENERAL FUND.** A fund used to account for all transactions of a governmental unit that are not accounted for in another fund.

**GOAL.** A goal is a statement of desired conditions to be maintained or achieved through the efforts of an organization. Actual total achievement may be impossible, but the goal is a standard against which to measure progress towards ideal conditions. A goal is a definition of results toward which the work of the organization is directed.

**GOVERNMENTAL FUNDS.** This category of funds includes typical governmental activities and includes funds such as the General Fund, Special Revenue Fund, and the Debt Service Fund. These funds are set up to measure current expendable financial resources (only current assets and current liabilities) and use the modified accrual basis of accounting.

**GRANT.** A contribution of assets (usually cash) from one government unit or organization to another. Typically, these contributions are made to local governments from the state or federal governments to be used for specific purposes and require distinctive reporting.

**HOMESTEAD EXEMPTION.** A tax relief measure whereby state law permits local governments to exempt a fixed dollar amount of appraised value of qualifying residential property.

**INSURANCE PREMIUM TAX.** Tax paid by insurance companies for premiums collected inside the county.

**INTERFUND LOAN.** A loan made by one fund to another to be repaid at a later date.

**INTERFUND TRANSFER.** An amount transferred from one fund to another as expenditure to one fund and revenue to the other fund.

**INTERGOVERNMENTAL REVENUE.** Revenue from other governments in the form of entitlements, grants, shared-revenues or payments in lieu of taxes.

**INVESTMENT.** Securities held for the production of income in the form of interest and dividends.

**LEASE-PURCHASE AGREEMENTS.** Contractual agreements that are termed leases, but that in substance are purchase contracts.

LEVY. To impose taxes, special assessments or service charges for the support of government activities.

**LIABILITIES.** Probable future sacrifices of economic benefits, arising from present obligations of a particular entity to transfer assets or provide services to other entities in the future as a result of past transactions or events.

LINE-ITEM. A detailed classification of an expense or expenditures classified within each Department.

**LINE-ITEM BUDGET.** Listing of each category of expenditures and revenues by fund, agency, department, division and or cost center.

**LOST (Local Option Sales Tax).** Tax levied at the rate of one percent which applies to the same items as the State sales tax, except that the local option sales tax also applies to sales of motor fuels. In order to impose this tax, the qualifying entity must submit a copy of a resolution if more than one-half of the votes cast are in favor of the tax.

LONG-TERM DEBT. Debt with a maturity of more than one year after the date of issuance.

**MAJOR FUND.** A governmental fund or enterprise fund reported as a separate column in the basic fund financial statements. The general fund is always a major fund. Otherwise, major funds are funds whose revenues, expenditures/expenses, assets, or liabilities (excluding extraordinary items) are at least 10 percent of corresponding totals for all governmental or enterprise funds and a least 5 percent of the aggregate amount for all governmental and enterprise funds for the same item. Any other government or enterprise fund may be reported as a major fund if the government's officials believe that fund is particularly important to financial statement users.

**MILL.** One one-thousandth of a dollar of assessed value. A tax rate of one mill produces one dollar of taxes for each \$1,000 of assessed property valuation.

**MILLAGE RATE.** Rate used in calculating taxes based upon the value of property, expressed in mills per dollar of property value.

**MISSION.** The mission statements included in Department budget requests are designed to inform the reader of the department's essential functions or activities/responsibilities/tasks they are charged to accomplish, as well as, the major services they provide.

**MODIFIED ACCRUAL BASIS.** Governmental funds use the modified accrual basis of accounting. Revenues are recognized in the period in which they become both available and measurable. Expenditures are recognized at the time a liability is incurred.

**OBJECTIVE.** An objective is a decision about the amount of progress to be made within a specified period of time. It states in measurable and quantitative terms the results to be achieved within a specified time and plans the incremental steps to achieve the goal.

**OPERATING COSTS.** Operating cost are proprietary (Enterprise) fund expenses that directly relate to the fund's primary service activities. For example: salaries and wages, expendable supplies, and contractual services.

**OPERATING TRANSFER.** Legally authorized interfund transfers from a fund receiving revenue to the fund that makes expenditures.

**ORDINANCE.** A formal legislative enactment by the governing body of a County. It is not in conflict with any higher form of law, such as state statute or constitutional provision; it has the full force and effect of law within the boundaries of the municipality to which it applies.

**PART-TIME.** Part-time employees work less than 30 hours per week and are not entitled to full-time employee benefits.

**PERFORMANCE MEASURES.** Specific quantitative productivity measures of work performed within an activity or program. Also, a specific quantitative measure of results obtained through a program or activity.

**PERSONAL PROPERTY.** Property that can be moved with relative ease, such as motor vehicles, boats, machinery, and inventoried goods.

PERSONAL SERVICES. Expenditures for the payment of salaries, wages and fringe benefits of employees.

**PROFESSIONAL SERVICES.** Expenditures incurred by the county to obtain the services of recognized licensed professionals such as doctors, lawyers, engineers, certified public accountants, and consultants.

**PROPERTY TAX.** Tax based on assessed value of a property, either real estate or personal. Tax liability falls on the owner of record as of the appraisal date.

**PROPRIETARY FUNDS.** This category of funds often emulates the private sector and includes Enterprise Funds and Internal Service Funds. These funds are set up to measure the flow of economic resources (all assets and liabilities) and use the accrual basis of accounting.

**REAL ESTATE TRANSFER TAX.** Taxes collected by Jackson County on real estate transfers (deed fees) within the county.

REAL PROPERTY. Land, buildings, permanent fixtures, and improvements.

**RESERVE.** (1) An account used to earmark a portion of fund balance to indicate that it has been earmarked for a particular purpose; and (2) an account used to earmark a portion of fund equity as legally segregated for a future use.

**RETAINED EARNINGS.** An equity account reflecting the accumulated earnings of an enterprise or internal service fund.

**REVENUE.** Increases in the net current assets of a government fund type from other than expenditure refunds and residual equity transfers. Examples include property taxes, licenses and fees, and charges for services.

**REVENUE BONDS.** Bonds whose principal and interest are payable exclusively from earnings of an enterprise fund.

**RISK MANAGEMENT.** The coordinated and continuous effort to minimize the potential financial and human resource losses arising from workers compensation, liability and property exposures.

**SELF-INSURANCE.** The formal assumption or partial assumption of risks and the accounting of results. Specific accounts are set aside to fund the risks. Any losses which do occur are charged against those accounts or funds.

**SPLOST (Special Purpose Local Option Sales Tax).** An additional 1 percent sales tax that may be imposed for a specific time period on the same items as the State sales tax. The tax may be levied with voter approval and must be used for specific capital projects or capital outlay.

**SPECIAL REVENUE FUND.** A fund used to account for the proceeds of specific revenue sources (other than expendable trust or major capital projects) that are legally restricted to expenditures for specified purposes.

**TAX.** A compulsory charge levied by a governmental unit for the purpose of raising revenue. These revenues are used to pay for services or improvements provided for the general public benefit.
