

INVITATION FOR EMS PRESENTATION

Whitfield County seeks input from qualified licensed ambulance services in the State of Georgia that may be interested in providing emergency transport service to the Citizens of Whitfield County. Interested vendors are invited to make a presentation to the review committee. Details are listed below. Whitfield County holds the ambulance license and intends to have one vendor provide all emergency transport services. The service area includes the Cities of Dalton, Cohutta, Tunnel Hill, Varnell and all unincorporated areas of the county. The population served is approximately 110,000 people. Interested services must provide all the personnel, supplies and equipment required by and in accordance with the State of Georgia to provide emergency medical transport service to Whitfield County.
